SUPPLEMENTARY INFORMATION: The formation of this ad hoc committee is in

Although nonemergency issues not contained in the GMMC meeting agenda may come before the GMMC for discussion, those issues may not be the subject of formal GMMC action during the meeting. GMMC action will be restricted to those issues specifically listed in this document and any issues arising after publication of this document that require emergency action under section 305(c) of the Magnuson-Stevens Fishery Conservation and Management Act, provided the public has been notified of the GMMC's intent to take final action to address the emergency.
