

Based on the compensation it pays to its professionals, kidSAFE also suggested that the September 2024 Notice's estimate of the mean hourly wage of the compliance officers who prepare FTC-approved COPPA Safe Harbors' annual reports to the Commission (\$38.55) was too low.¹¹ kidSAFE's comment does not set forth a basis for the Commission to increase the estimated mean hourly wage of compliance officers who prepare annual reports. It is not clear the extent to which kidSAFE's assertion is based on the hourly wages of individuals who assess operators' compliance with kidSAFE's guidelines—which, as explained above, is activity that the September 2024 Notice does not encompass—or whether those individuals' hourly wages are higher than the hourly wages of individuals who prepare kidSAFE's annual report to the Commission. Moreover, the Commission did not receive any other comments asserting that the September 2024 Notice's reliance on the Bureau of Labor Statistics' wage information to estimate the mean hourly wage of compliance officers was misplaced, and kidSAFE's assertions regarding the wages that it pays compliance officers do not provide any insight on other FTC-approved COPPA Safe Harbor programs' experience.

Pursuant to OMB regulations, 5 CFR part 1320, that implement the PRA, 44 U.S.C. 3501 *et seq.*, the FTC is providing this second opportunity for public comment while seeking OMB approval to renew the pre-existing clearance for the Rule. For more details about the COPPA Rule's requirements and the basis for the calculations summarized above, see 89 FR 79596.

Information Collections

1. *Type of Information Collection*

Request: Revision of a currently approved collection; *Title of Information Collection:* Prepaid Health Plan Cost Report; *Use:* The Cost Report outlines the provisions for implementing Sections 1876(h) and 1833(a)(1)(A) of the Social Security Act (Act). Organizations contracting with the Secretary under the Act provide health services on a prepayment basis to enrolled members and are required to submit adequate cost and statistical data, based on financial records, in order to be reimbursed on reasonable cost basis by CMS. Organizations include Health Maintenance Organizations (HMOs) and Competitive Medical Plans (CMPs) under Section 1876, in addition to, Health Care Prepayment Plans (HCPPs) under Section 1833. These entities may be collectively referred to as “Managed Care Organizations” (MCOs).

Form CMS 276, provided by CMS as excel worksheets, covers the prescribed format for the cost reports. The worksheets are designed to be of sufficient flexibility to take into account the diversity of operations, yet provide the necessary cost and statistical information to enable CMS to determine the proper amount of payment to the Plan. Cost-based MCOs must submit through HPMS an annual Budget Forecast, semi-annual interim, and final cost report to CMS, all of which are included in this collection. Additionally, HMOs/CMPs are required to submit fourth quarter interim reports annually to CMS. Please note that HCPPs are not required to submit fourth quarter interim reports. *Form Number:* CMS-276 (OMB control number: 0938-0165); *Frequency:* Yearly, semi-annually, and once; *Affected Public:* Private sector; *Number of Respondents:* 16; *Number of Responses:* 36; *Total Annual Hours:* 1,128. (For questions regarding this collection contact Frank Cisar at 410-786-7553).

2. *Type of Information Collection*

Request: Revision with change of a currently approved collection; *Title of Information Collection:* Applicable Integrated Plan Coverage Decision Letter; *Use:* Section 1859(f)(8) of the Act requires development of unified grievance and appeals processes for D-SNPs, to the extent feasible. We finalized regulations for integrated organization determinations at § 422.631, affecting D-SNP administration for January 1, 2021 and beyond. The rule requires applicable integrated plans to send an enrollee a written notice of any adverse decision

on an integrated organization determination using a notice that is written in plain language and contains the information detailed at § 422.631(d)(1)(iii).

Applicable integrated plans as defined at § 422.561 issue form CMS-10716 when a request for either a medical service or payment is denied in whole or in part after considering both the Medicare and Medicaid benefit. Applicable integrated plans issue this form to enrollees when the plan reduces, stops, suspends, changes, or denies, in whole or in part, a request for a service or item (including a Part B drug) or a request for payment of a service or item (including a Part B drug) that the enrollee has already received. The form provides the enrollee with information regarding their right to an appeal of the applicable integrated plan’s decision and the enrollee will use the instructions to navigate the appeal process. *Form Number:* CMS-10716 (OMB control number 0938-1386); *Frequency:* Occasionally; *Affected Public:* Private Sector and Business or other for-profits; *Number of Respondents:* 129; *Number of Responses:* 10,468; *Total Annual Hours:* 1,745. 3. *Type of Information Collection*

Request: Extension of a currently approved collection; *Title of Information Collection:* D-SNP Enrollee Advisory Committee; *Use:* CMS established paragraph (f) at § 422.107 under our authority at section 1856(b)(1) of the Act to establish in regulation other standards not otherwise specified in statute that are both consistent with Part C statutory requirements and necessary to carry out the MA program and our authority at section 1857(e) of the Act to adopt other terms and conditions not inconsistent with Part C as the Secretary may find necessary and appropriate.

MA organizations with D-SNPs would use the information collected from enrollees in the enrollee advisory committee to help identify and address barriers to high-quality, coordinated care for enrollees. Any collection of information directly from MA organizations offering a D-SNPs regarding the enrollee advisory committee requirement § 422.107(f) will be included in a separate PRA package. CMS is collecting data on D-SNP enrollee advisory committees as part of the CY 2025 Part C Reporting Requirements. *Form Number:* CMS-10799 (OMB control number 0938-1422); *Frequency:* Occasionally; *Affected Public:* Private Sector and

Business or other for-profits; *Number of Respondents:* 398; *Number of Responses:* 398; *Total Annual Hours:* 15,920. (For questions regarding this collection contact Melissa Maker at 212-616-2329.)
