AGENCY: Department of Education.

ACTION: Notice of proposed information collection requests.

SUMMARY: The Leader, Regulatory Information Management, Office of the Chief Information Officer, invites comments on the proposed information collection requests as required by the Paperwork Reduction Act of 1995.

DATES: An emergency review has been requested in accordance with the Act (44 U.S.C. Chapter 3507 (j)), since public harm is reasonably likely to result if normal clearance procedures are followed. Approval by the Office of Management and Budget (OMB) has been requested by May 10, 2002. A regular clearance process is also beginning. Interested persons are invited to submit comments on or before June 25, 2002.

ADDRESSES: Written comments regarding the emergency review should be addressed to the Office of Information and Regulatory Affairs, Attention: Karen Lee, Desk Officer: Department of Education, Office of Management and Budget; 725 17th Street, NW, Room 10235, New Executive Office Building, Washington, DC 20503 or should be electronically mailed to the Internet address *Karen_F.Lee@omb.eop.gov*.

SUPPLEMENTARY INFORMATION: Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) requires that the Director of OMB provide interested Federal agencies and the public an early opportunity to comment on information collection requests. The Office of Management and Budget (OMB) may amend or waive the requirement for public consultation to the extent that public participation in the approval process would defeat the purpose of the information collection, violate State or Federal law, or substantially interfere with any agency's ability to perform its statutory obligations. The Leader, Information Management Group, Office of the Chief Information Officer, publishes this notice containing proposed information collection requests at the beginning of the Departmental review of the information collection. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g., new, revision, extension, existing or reinstatement; (2) title; (3) summary of the collection; (4) description of the need for, and

Type of Review: Revision.

Title: Indian Education Formula Grants to Local Educational Agencies (LEAs).

Abstract: Application for funding under the Indian Education Formula Grant Program to Local Educational Agencies. The application is used to determine applicant eligibility, amount of award, and appropriateness of project services for Indian students to be served. The application also includes the Indian Student Eligibility Certification Form that LEAs have parents complete to certify Indian student eligibility for the program.

Additional Information: The Department requests an emergency clearance for the Formula Grants to Local Educational Agencies (LEAs) Application (CFDA #84.060A) by May 10, 2002. Two new provisions in the No Child Left Behind Act necessitate the revision of the existing information collection. One is the authority for LEAs, under Section 716 Integration of Services, to consolidate all funds for any Federal program exclusively serving Indian children or the funds reserved under any Federal program to exclusively serve Indian children under a statutory or administrative formula. The second new requirement in the legislation imposes a five percent limit on the use of grant funds for administrative costs. The program annually funds approximately 1,270 LEAs from July 1 to June 30. An emergency clearance is requested so that the revised applications may be completed and received from

participating LEAs in time for the Department to process their funding by July 1. In our view, harm to the public would thus occur if this clearance is not approved in time.

Frequency: Annually.

Affected Public: State, Local, or Tribal Gov't, SEAs or LEAs.

Reporting and Recordkeeping Hour Burden:

Responses: 1,270.

Burden Hours: 25,825.

DEPARTMENT OF EDUCATION

[CFDA No.: 84.144]

Migrant Education Program (MEP) Consortium Incentive Grants program

ACTION: Notice inviting applications for new awards for fiscal year 2002.

Purpose of Program: The purpose of the FY 2002 MEP Consortium Incentive Grants program is to provide incentive grants to State educational agencies (SEAs) that participate in consortium arrangements with another State or appropriate entity to improve the delivery of services to migrant children whose education is interrupted.

Eligible Applicants: SEAs receiving MEP Basic State Formula grants.

Applications Available: April 26, 2002.

Deadline for Transmittal of Applications: June 3, 2002.

Deadline for Intergovernmental Review: August 2, 2002.

Available Funds: \$2,300,000.

Estimated Range of Awards: \$25,000-\$75,000.

Estimated Average Size of Awards: \$57,500.

Estimated Number of Awards: 40.

Project Period: Up to 27 months.

SUPPLEMENTARY INFORMATION: The Migrant Education Program (MEP) is authorized under the Elementary and Secondary Education Act of 1965 (ESEA), as amended by the No Child Left Behind Act of 2001 (Pub. L. 107-110). The MEP provides financial assistance to States to support high-quality and comprehensive educational programs so that migrant children are provided with appropriate educational and supportive services that (1) address their special needs in a coordinated and efficient manner, and (2) give migrant children the opportunity to meet challenging State content and student performance standards.

Section 1308(d) of the ESEA authorizes the Secretary to provide competitive incentive grants to SEAs that participate in consortium arrangements with another State or appropriate entity to improve the delivery of services to migrant children. Section 1308(d) also limits the size of each of these grants to not more than \$250,000. For the FY 2002 competition, the Secretary plans to reserve \$2.3 million for consortium incentive grant awards.

Through this notice the Secretary announces requirements and procedures to govern the competition for FY 2002 grant funds. So that existing consortia relationships that were established under the ESEA as previously authorized may be maintained and funded without disruption of services for migrant students, the Secretary has decided to announce these requirements and procedures at this time without first providing the public an opportunity for review and comment. Except for the new statutory requirement in Section 1308(d) that the consortium arrangements improve the delivery of services to migrant students whose education is interrupted, the requirements and procedures for the upcoming FY 2002 competition are the same as the Secretary has used for competitions conducted under the ESEA as previously authorized.

Waiver of Proposed Rulemaking

Under the Administrative Procedure Act (5 U.S.C. 553) the Department generally offers interested parties the opportunity to comment on proposed regulations. However, in order to make
