

Standard Paragraph

E. Any person desiring to be heard or to protest such filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). All such motions or protests should be filed on or before the comment date. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of these filings are on file with the Commission and are available for public inspection. This filing may also be viewed on the Internet at <http://www.ferc.fed.us/online/rims.htm> (call 202-208-2222 for assistance). Comments, protests, and interventions may be filed electronically via the internet in lieu of paper. See, 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission's web site at <http://www.ferc.fed.us/efi/doorbell.htm>.

[Docket No. RM95-9-013]

Open Access Same-Time Information System (OASIS) and Standards of Conduct; Notice of Filing and Request for Comments

June 5, 2001.

Take notice that on May 29, 2001, the Market Interface Committee of the North American Electric Reliability Council (MIC) filed a request to modify the Commission's OASIS Business Practice Standards adopted in Order No. 638,¹ to add a new business practice standard dealing with accepted firm daily point-to-point transmission service that has not been confirmed and a related footnote to Table 4-2 on Reservation Timing Limits. The MIC requests that the Commission implement this proposal on a mandatory, experimental basis for six months beginning no later

than June 30, 2001. The MIC further states that, within four months of the effective date, it will provide the Commission with an assessment of the experiment and whether it should be revised, discontinued, or made permanent.

We invite written comments on this filing generally and specifically invite comment on whether action on this proposal is needed by June 30, 2001, as requested by the MIC. Copies of the filing are on file with the Commission and are available for public inspection. The filing may also be viewed on the Internet at <http://www.ferc.fed.us/online/rims.htm>.

Comments must be filed on or before June 11, 2001 and may be filed on paper or electronically via the Internet. Those filing electronically do not need to make a paper filing. For paper filings, the original and 14 copies of such comments should be submitted to the Office of the Secretary, Federal Energy Regulatory Commission, 888 First Street, NE., Washington DC 20426 and should refer to Docket No. RM95-9-013.

Comments filed via the Internet must be prepared in WordPerfect, MS Word, Portable Document Format, or ASCII format. To file the document, access the Commission's website at www.ferc.fed.us and click on "Make An E-Filing," and then follow the instructions for each screen. First time users will have to establish a user name and password. The Commission will send an automatic acknowledgement to the sender's E-Mail address upon receipt of comments.

User assistance for electronic filing is available at 202-208-0258 or by E-Mail to efiling@ferc.fed.us. Comments should not be submitted to the E-Mail address. All comments will be placed in the Commission's public files and will be available for inspection in the Commission's Public Reference Room at 888 First Street, NE., Washington DC 20426, during regular business hours. Additionally, all comments may be viewed, printed, or downloaded remotely via the Internet through FERC's Homepage using the RIMS link. User assistance for RIMS is available at 202-208-2222, or by E-mail to RimsMaster@ferc.fed.us.

Notice of Draft License Application and Preliminary Draft Environmental Assessment (PDEA) and Request for Preliminary Terms and Conditions

June 5, 2001.

Take notice that the following hydroelectric application has been filed with the Commission and is available for public inspection:

a. *Type of Application:* Original Minor License.

b. *Project No.:* 11659-001.

c. *Applicant:* Gustavus Electric Company (GEC).

d. *Name of Project:* Falls Creek Hydroelectric Project.

e. *Location:* On Falls Creek (also known as the Kahtaheena River), in southeastern Alaska near the town of Gustavus. The project would be located on lands currently located within the boundary of Glacier Bay National Park and administered by the National Park Service. The Glacier Bay National Park Boundary Adjustment Act of 1998 (Act) provides that if a license is issued for the project, the minimum amount of Glacier Bay National Park land necessary to construct and operate the hydroelectric project would be transferred, as part of a land exchange, to the State of Alaska. The Act also authorizes the submittal of a license application for this project to the Federal Energy Regulatory Commission.

f. *Applicant Contact:* Richard Levitt, Gustavus Electric Company, P.O. Box 102, Gustavus, Alaska 99826; (907) 697-2299.

g. *FERC Contact:* Bob Easton, Federal Energy Regulatory Commission, 888 First Street NE., Washington, DC 20426; (202) 219-2782; Email: robert.easton@ferc.fed.us

h. GEC mailed a copy of the PDEA and draft application to interested parties on May 21, 2001. The Commission received a copy of the PDEA and draft application on May 30, 2001.

i. With this notice we are soliciting preliminary terms, conditions, and recommendations on the PDEA and draft license application. All comments on the PDEA and draft license application should be sent to the addresses above in items (f) and (g). All comments must include the project name and number, and bear the heading "Preliminary Comments," "Preliminary Recommendations," "Preliminary Terms and Conditions," or "Preliminary Prescriptions."
