

by supporting “actively managed” clusters (*i.e.*, clusters that are administered by a team of individuals and possess a form of governance rather than a cluster that occurs naturally without intervention in a regional economy). The clusters provide a host of services to the target population of small and emerging businesses within their regional and industry focuses. Services include direct business advising and support and sponsoring events, such as networking opportunities with investors, large businesses, and other stakeholders in the regions.

Solicitation of Public Comments

Comments may be submitted on (a) whether the collection of information is necessary for the agency to properly perform its functions; (b) whether the burden estimates are accurate; (c) whether there are ways to minimize the burden, including through the use of automated techniques or other forms of information technology; and (d) whether there are ways to enhance the quality, utility, and clarity of the information.

OMB Control 3245–0392
