Iron Construction Castings From Brazil, Canada and China; Solid Urea From Russia and Ukraine; and Potassium Permanganate From China; Extension of Time Limits for the Final Results of Sunset Reviews of Countervailing and Antidumping Duty Orders

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: January 27, 2005.

Extension of Preliminary and Final Results of Reviews

In accordance with section 751(c)(5)(B), the Department of Commerce ("the Department") may extend the period of time for making its determination by not more than 90 days, if it determines that the review is extraordinarily complicated. As set forth in 751(c)(5)(C)(v) of the Tariff Act of 1930, as amended ("the Act"), the Department may treat a sunset review as extraordinarily complicated if it is a review of a transition order, as is the case in these proceedings. Therefore, the Department has determined, pursuant to section 751(c)(5)(C)(v) of the Act, that the sunset reviews of the countervailing duty order on iron construction castings from Brazil and the antidumping duty orders on iron construction castings from Brazil, Canada and China; solid urea from Russia and Ukraine; and potassium permanganate from China, are extraordinarily complicated and require additional time for the Department to complete its analysis. The Department's final results of these sunset reviews were originally scheduled for January 31, 2005. The Department will extend the deadlines in this proceedings and, as a result, intends to issue the final results of the sunset reviews on iron construction castings from Brazil, Canada and China; solid urea from Russia and Ukraine; and potassium permanganate from China on or about March 31, 2005, in accordance with section 751(c)(5)(B).

Dated: January 19, 2005.

Gary Taverman,

Acting Deputy Assistant Secretary for Import Administration.

Frozen Concentrated Orange Juice from Brazil; Initiation of Changed Circumstances Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (the Department) is initiating a changed circumstances administrative review of the antidumping duty order on frozen concentrated orange juice (FCOJ) from Brazil (*see Notice of Antidumping Duty Order: Frozen Concentrated Orange Juice from Brazil* (52 FR 16426, May 5, 1987)) in response to a request from Louis Dreyfus Citrus Inc., a U.S. importer of FCOJ from Brazil, COINBRA-Frutesp, S.A. (COINBRA-Frutesp), a manufacturer/exporter of FCOJ from Brazil, and the affiliated companies of the Louis Dreyfus group (collectively "Louis Dreyfus"). These entities have requested that the Department conduct a changed circumstances review to determine that COINBRA-Frutesp is the successor-in-interest to Coopercitrus Industrial Frutesp, S.A. (Frutesp), and as a result to find that FCOJ from Brazil manufactured and exported by COINBRA-Frutesp is not subject to the antidumping duty order on FCOJ from Brazil.

EFFECTIVE DATE: January 27, 2005.

FOR FURTHER INFORMATION CONTACT: Elizabeth Eastwood or Jill Pollack, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone (202) 482-3874 and (202) 482-4593, respectively.

SUPPLEMENTARY INFORMATION:

Background:

On May 5, 1987, the Department published in the *Federal Register* an antidumping duty order on FCOJ from Brazil covering all Brazilian producers except Succitriculo Cultrale, S.A. *See Antidumping Duty Order; Frozen Concentrated Orange Juice from Brazil*, 52 FR 16426 (May 5, 1987). On October

21, 1991, the Department revoked the antidumping duty order with regard to Frutesp. *See Frozen Concentrated Orange Juice from Brazil; Final Results and Termination in Part of Antidumping Duty Administrative Review; Revocation in Part of Antidumping Duty Order*, 56 FR 52510 (Oct. 21, 1991).

In 1993, Louis Dreyfus purchased the shares and assets of Frutesp, and the following year Frutesp changed its name to COINBRA-Frutesp.

On August 3, 2004, Louis Dreyfus informed the Department that it controls, through its member companies, all the assets of COINBRA-Frutesp. In this submission, Louis Dreyfus requested an expedited changed circumstances review to determine that FCOJ from Brazil manufactured by Louis Dreyfus or its affiliates and exported by COINBRA-Frutesp is not subject to the antidumping duty order on FCOJ from Brazil.

On September 17 and November 5, 2004, we requested additional clarification from Louis Dreyfus with respect to the companies that are the subject of its request for a changed circumstances review. On September 20 and November 15, 2004, Louis Dreyfus clarified that it is requesting that COINBRA-Frutesp be designated as the successor-in-interest to Frutesp. According to Louis Dreyfus, this action is necessary because on March 18, 2004, U.S. Customs and Border Protection (CBP) informed Louis Dreyfus that entries of FCOJ manufactured by COINBRA-Frutesp are, in fact, subject to the antidumping duty order on FCOJ, and CBP is currently requiring the payment of cash deposits on such merchandise. Louis Dreyfus asserts that the CBP had not required cash deposits on COINBRA-Frutesp's exports prior to that time.

Scope of the Review

The merchandise covered by this order is FCOJ from Brazil, and is currently classifiable under item 2009.11.00 of the Harmonized Tariff Schedule of the United States (HTSUS). The HTSUS item number is provided for convenience and customs purposes. The Department's written description of the scope of the review remains dispositive.

Initiation of Changed Circumstances Review

Pursuant to section 751(b)(1) of the Tariff Act of 1930, as amended (the Act), the Department will conduct a changed circumstances review upon request from an interested party or receipt of information concerning an antidumping
