- Rule 17Ad-17 Transfer Agents' Obligation to Search for Lost Securityholders

Rule 17Ad-17 [17 CFR 240.17Ad-17] requires approximately 952 registered transfer agents to conduct searches using third party database vendors to attempt to locate lost securityholders. The staff estimates that the average number of hours necessary for each transfer agent to comply with Rule 17Ad-17 is five hours annually. The total burden is approximately 4,760 annually for all transfer agents. The cost of compliance for each individual transfer agent depends on the number of lost accounts for which it is responsible. The recordkeeping requirement under Rule 17Ad-17 is mandatory to assist the Commission and other regulatory agencies with monitoring transfer agents and ensuring compliance with the rule.
