BILLING CODE 6345-03-P

DEPARTMENT OF HOMELAND SECURITY

8 CFR Parts 103 and 235

[Docket No. USCBP-2020-0035]

RIN 1651-AB34

Harmonization of the Fees and Application Procedures for the Global Entry and SENTRI Programs and Other Changes

AGENCY: U.S. Customs and Border
Protection, Department of Homeland
Security.

ACTION: Notice of proposed rulemaking;
correction; re-opening of comment
period.

SUMMARY: U.S. Customs and Border
Protection (CBP) published a notice of
proposed rulemaking (NPRM) in the
Federal Register of September 9, 2020,
concerning harmonization of the fees for
the Global Entry and SENTRI trusted
traveler programs as well as other
changes to those programs. An incorrect
Regulation Identifier Number (RIN) was
inadvertently listed in the heading of
that document. This document corrects
the September 9, 2020 document to
reflect that the correct RIN is 1651-
AB34 as set forth above. Additionally,
CBP included a summary of the *CBP
Trusted Traveler Programs Fee Study*
(Fee Study) in the NPRM and stated that
the full Fee Study was included in the
docket of the rulemaking. CBP
inadvertently failed to post the Fee
Study on the docket when the NPRM
was published. Therefore, CBP is
notifying the public that the Fee Study
has now been posted in the docket and
that CBP is re-opening the comment
period and requesting comments on the
stand-alone Fee Study.

DATES: Comments must be received on
or before December 31, 2020.

this document.

COVID-19-related restrictions, CBP has
temporarily suspended its on-site public
inspection of submitted comments.

SUPPLEMENTARY INFORMATION:

Public Participation

Interested persons are invited to
participate in this rulemaking by
submitting written data, views, or
arguments on the Fee Study. Only
comments on the Fee Study will be
considered. Comments that will provide
the most assistance to CBP will
reference a specific portion of the Fee
Study, explain the reason for any
recommended change, and include data,
information, or authority that support
such recommended change.

Background

CBP operates several voluntary
trusted traveler programs at land, sea
and air ports of entry into the United
States that allow certain pre-approved
travelers dedicated processing into the
United States, including the Secure
Electronic Network for Travelers Rapid
Inspection (SENTRI) program, the
Global Entry program, and the NEXUS
program. As part of an effort to
harmonize the fees and application
procedures for these programs, CBP
published a notice of proposed
rulemaking (NPRM) titled
“Harmonization of the Fees and
Application Procedures for the Global
Entry and SENTRI Programs and Other

Changes” in the **Federal Register** (85 FR
55597) on September 9, 2020. The
NPRM proposes to change the Global
Entry and SENTRI application fees to a
uniform amount, provide a uniform
standard regarding the payment of the
Global Entry and SENTRI application
fees for minors, change the fee payment
schedule and certain aspects of the
application process for the SENTRI
program, and incorporate the SENTRI
program into the Department of
Homeland Security (DHS) regulations.
CBP will be issuing a separate **Federal
Register** notice regarding changes to the
NEXUS fee.

Fee Study

As part of the development of the
NPRM, CBP performed a fee study
entitled *CBP Trusted Traveler Programs
Fee Study* (Fee Study) to determine the
amount of the fee that is necessary to
recover the costs associated with
application processing for the Global
Entry, SENTRI, and NEXUS programs.
In the NPRM and Fee Study, CBP
concluded that a uniform \$120 fee is
appropriate and necessary to recover a
reasonable portion of costs associated
with application processing for these
three CBP trusted traveler programs.
The NPRM summarizes the Fee Study,
seeks comments on its conclusion, and
states that the full Fee Study can be
found in the docket of the rulemaking.
However, CBP inadvertently failed to
post the Fee Study to the docket at the
time the NPRM was published. CBP has
now posted the Fee Study to the docket
at <https://www.regulations.gov> under
docket number USCBP-2020-0035 and
is re-opening the comment period to
allow for comments to be submitted on
that Fee Study. Comments must be
received on or before December 31,
2020. CBP will not accept comments on
any topic other than the Fee Study.

Correction of RIN

In the NPRM document, FR Doc.
2020-16369, beginning on page 55597
in the issue of September 9, 2020 (85 FR
55597), make the following correction in
the first column:

Remove in the heading of the
document “RIN 1651-AB94” and add in
its place “RIN 1651-AB34.”

Alice A. Kipel,

Executive Director, Regulations and Rulings
Office of Trade, U.S. Customs and Border
Protection.
