A. Overview of Information Collection

Title of Information Collection: OpFund Shortfall Program Financial Reporting and Monitoring.

OMB Control Number: 2577-New.

Type of Request: New.

Agency Form Numbers: HUD-XXXXX, HUD-XXXXX, HUD-XXXXX, HUD-XXXXX, HUD-52574.

Description of the Need for the Information and Proposed Use:

The Shortfall Program has been in operation for two years and was created

through annual Appropriations laws providing a \$25 million set-aside in the Public Housing Fund to assist Public Housing Agencies (PHAs) experiencing or at risk of financial shortfalls. The program targets PHAs with the lowest Public Housing reserves. Funding is allocated to raise PHAs' reserves to two months of expenses. The calculation that determines this value is outlined in Section 4 of the Shortfall Notice: PIH-2021-12. Along with the infusion of funds, PHAs create Improvement Plans to improve their financial situation and address financial issues. However, without a Paperwork Reduction Act (PRA) approved information collection, it is difficult to monitor the PHAs financial changes and successes in an expeditious way. OMB requested that PIH begin to collect enough information from PHAs to evaluate the efficacy of the program in improving PHA's financial situation. This PRA information collection is being submitted to improve the effectiveness of the program (through monitoring and risk management) which ultimately helps the PHAs reach sustainable financial success. This PRA information collection will include a short-form budget for PHAs to report their budget and actuals through the year so that financial and operational performance can be evaluated; an Action Item Template, which will increase accountability towards making financial improvements; and Shortfall Program Application and Appeal forms. These forms will be accessible to PHA and HUD staff through a web-based portal to increase operational efficiency.
