HRSA specifically requests comments on (1) the necessity and utility of the proposed information collection for the proper performance of the agency's functions, (2) the accuracy of the estimated burden, (3) ways to enhance the quality, utility, and clarity of the information to be collected, and (4) the use of automated collection techniques or other forms of information

² The HP, practice-level, and program implementation surveys will be administered with enrolled/participating HPs, office managers/leadership of enrolled/participating practices, and project directors/principal investigators of the 2021 PMHCA cooperative-agreement funded programs three times during the project period (2023, 2024, and 2025) for a total of up to three responses per respondent. The 2021 PMHCA Program Implementation SSIs and the Champion SSIs and FGDs will be administered to 2021 PMHCA cooperative agreement-funded project directors/principal investigator and program champions once at the end of the data collection period. The 2021 PMHCA Care Coordinator SSI will be administered twice, once at the beginning of the data collection period and once at the end of the data collection period. The number of responses per respondent varies for the Care Coordinator SSI between the 2018 and 2019 PMHCA and 2018 MDRBD cooperative-agreement funded programs and the 2021 PMHCA cooperative-agreement funded program because the 2018 and 2019 cooperative-agreement programs will end in 2023 whereas the 2021 PMHCA cooperative agreement-funded programs will end in 2026.

³ The Community Resources SSI will be a case study with (1) up to 5 awardees who have identified up to 5 formal (*i.e.*, there is a formal agreement, Memorandum of Understanding (MOU); Memorandum of Agreement (MOA); letter of support) community partnerships and (2) up to 5 awardees who have identified up to 5 informal (*i.e.*, there is no formal agreement, MOU; MOA; letter of support) community partnership; there will be up to 25 respondents for each group (*i.e.*, formal, informal) for a total N=50. The Community Resource SSIs will be administered for the 2018 and 2019 PMHCA and 2018 MDRBD cooperative-agreement funded programs at the end of the data collection period in Spring 2023 and for 2021 PMHCA cooperative agreement-funded program at the end of the data collection period in Fall 2025.
