

DEPARTMENT OF HEALTH AND HUMAN SERVICES**Office of the Secretary**

[Document Identifier: OS-0990-0169; 30-day notice]

**Agency Information Collection
Activities: Proposed Collection;
Comment Request**

In compliance with the requirement of section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995, the Office of the Secretary (OS), Department of Health and Human Services, is publishing the following summary of a proposed collection for public comment. Interested persons are invited to send comments regarding this burden estimate or any other aspect of this collection of information, including any of the following subjects: (1) The necessity and utility of the proposed information collection for the proper performance of the agency's functions; (2) the accuracy of the estimated burden; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) the use of automated collection techniques or other forms of information technology to minimize the information collection burden.

Type of Information Collection Request: Regular Clearance, Extension of a currently approved collection;

Title of Information Collection: Uniform Administrative Requirements for Grantors and Cooperative Agreements to State and Local Governments;

Form/OMB No.: OS-0990-0169;

Use: Pre-Award, Post-Award, and subsequent reporting and recordkeeping requirements are necessary to award, monitor, close out and managers grant programs, ensure minimum fiscal control and accountability for Federal funds and deter fraud, waste and abuse.

Frequency: Reporting, on occasion;

Affected Public: Business or other for-profit, not-for-profit institutions, and Federal government;

Annual Number of Respondents: 4,000;

Total Annual Responses: 4,000;

Average Burden Per Response: 70 hours;

Total Annual Hours: 280,000;

To obtain copies of the supporting statement and any related forms for the proposed paperwork collections referenced above, access the HHS Web site address at <http://www.hhs.gov/ocio/infocollect/pending/> or e-mail your request, including your address, phone number, OMB number, and OS document identifier, to

Sherette.funncoleman@hhs.gov, or call the Reports Clearance Office on (202) 690-6162. Written comments and recommendations for the proposed information collections must be received within 30 days of this notice directly to the Desk Officer at the address below: OMB Desk Officer: John Kraemer, OMB Human Resources and Housing Branch, Attention: (OMB #0990-0169), New Executive Office Building, Room 10235, Washington, DC 20503.

Dated: May 26, 2006.

Robert E. Polson,

Office of the Secretary, Paperwork Reduction Act Reports Clearance Officer.

BILLING CODE 4150-24-M

DEPARTMENT OF HEALTH AND HUMAN SERVICES**Centers for Disease Control and Prevention****Clinical Laboratory Improvement Advisory Committee**

In accordance with section 10(a)(2) of the Federal Advisory Committee Act (Pub. L. 92-463), the Centers for Disease Control and Prevention (CDC) announces the following committee meeting.

Name: Clinical Laboratory Improvement Advisory Committee (CLIAC).

Times and Dates: 8:30 a.m.-5 p.m., June 20, 2006. 8:30 a.m.-3 p.m., June 21, 2006.

Place: Sheraton Midtown Atlanta Hotel at Colony Square, 188 14th Street, NE., Atlanta, Georgia 30361, Telephone: (404) 892-6000.

Status: Open to the public, limited only by the space available. The meeting room accommodates approximately 100 people.

Purpose: This Committee is charged with providing scientific and technical advice and guidance to the Secretary of Health and Human Services, the Assistant Secretary for Health, and the Director, CDC, regarding the need for, and the nature of, revisions to the standards under which clinical laboratories are regulated; the impact on medical and laboratory practice of proposed revisions to the standards; and the modification of the standards to accommodate technological advances.

Matters To Be Discussed: Updates from CDC, the Centers for Medicare & Medicaid Services, and the Food and Drug Administration; presentations and discussion concerning gynecologic cytology laboratory practice and proficiency testing; and a report from the CLIAC Cytology Proficiency Testing Workgroup and discussion of the Workgroup's proposals related to such. Agenda items are subject to change as priorities dictate.

Providing Oral or Written Comments: It is the policy of CLIAC to accept written public comments and provide a brief period for oral

public comments whenever possible. *Oral Comments:* In general, each individual or group requesting to make an oral presentation will be limited to a total time of five minutes (unless otherwise indicated). Speakers must also submit their comments in writing for inclusion in the meeting's Summary Report. To assure adequate time is scheduled for public comments, individuals or groups planning to make an oral presentation should, when possible, notify the contact person below at least one week prior to the meeting date. *Written Comments:* For individuals or groups unable to attend the meeting, CLIAC accepts written comments until the date of the meeting (unless otherwise stated). However, the comments should be received at least one week prior to the meeting date so that the comments may be made available to the Committee for their consideration and public distribution. Written comments, one hard copy with original signature, should be provided to the contact person below. Written comments will be included in the meeting's Summary Report.

Contact Person for Additional Information: Devery Howerton, Acting Chief, Laboratory Practice Standards Branch, Division Public Health Partnerships—Laboratory Systems, National Center for Health Marketing, Coordinating Center for Health Information and Service, CDC, 1600 Clifton Road, NE., Mailstop G-23, Atlanta, Georgia 30333; telephone (404) 718-1016; fax (404) 718-1080; or via e-mail at DHowerton@cdc.gov.

The Director, Management Analysis and Services Office, has been delegated the authority to sign **Federal Register**.

Notices pertaining to announcements of meetings and other committee management activities, for CDC and the Agency for Toxic Substances and Disease Registry.

Dated: May 30, 2006.

Alvin Hall,

Director, Management Analysis and Services Office, Centers for Disease Control and Prevention.

BILLING CODE 4163-18-P

DEPARTMENT OF HEALTH AND HUMAN SERVICES**Centers for Disease Control and Prevention****Statement of Organization, Functions, and Delegations of Authority**

Part C (Centers for Disease Control and Prevention) of the Statement of Organization, Functions, and Delegations of Authority of the Department of Health and Human Services (45 FR 67772-76, dated October 14, 1980, and corrected at 45 FR 69296, October 20, 1980, as amended most recently at 71 FR 20403, dated April 20, 2006) is amended to reflect the establishment of the Library Services Most Efficient Organization with the

Division of Knowledge Management Services, National Center for Public Health Informatics.

Section C–B, Organization and Functions, is hereby amended as follows:

After the mission statement for the *Division of Knowledge Management Services (CPEC), National Center for Public Health Informatics (CPE)*, insert the following:

Library Services Most Efficient Organization (CPEC2). (1) Provides library operations; (2) provides information, reference, and research services; (3) provides library educational and instructional services; (4) provides library knowledge management, systems, and technology support; (5) provides library marketing services and outreach; and (6) provides library administrative services.

Delete item (8) of the functional statement for the *Communications, Education, and Behavioral Studies Branch (CVBDB), Division of Tuberculosis Elimination (CVBD), National Center for HIV, STD, and TB Prevention (CVB)*, and insert the following: (8) organizes and maintains scientific and non-scientific information resources related to TB.

Delete item (6) of the functional statement for the *Education and Information Division (CCE), National Institute for Occupational Safety and Health (CC)*, and renumber the remaining items accordingly.

Dated: May 25, 2006.

William H. Gimson,

Chief Operating Officer, Centers for Disease Control and Prevention (CDC).

BILLING CODE 4160–18–M

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Centers for Disease Control and Prevention

Notice of Public Input Opportunity

AGENCY: Centers for Disease Control and Prevention (CDC), Department of Health and Human Services (HHS).

SUMMARY: The National Institute for Occupational Safety and Health (NIOSH) of the Centers for Disease Control and Prevention (CDC) announces the following:

Availability of opportunity for the Public to Provide Input on a proposed Web based document:

“NIOSH Safety and Health Topic: Chest Radiography”

Notice: The National Institute for Occupational Safety and Health (NIOSH), acting on behalf of the Secretary of Health and Human Services (HHS), is responsible for prescribing the manner in which radiographs are read and classified for the chest x-ray program available to coal miners under the Federal Mine Safety and Health Act, 30 U.S.C. 843; 42 CFR part 37. In carrying out this responsibility, NIOSH issues B Reader certifications to physicians who demonstrate proficiency in the classification of chest radiographs for the pneumoconioses using the International Labour Office (ILO) Classification System. NIOSH uses these B Readers in its Coal Workers Health Surveillance Program. B Readers are also employed in a variety of other clinical, research and compensation settings. NIOSH-certified B Readers use the internationally-recognized ILO system to classify chest radiographs for the presence and severity of pulmonary parenchymal and pleural changes potentially caused by exposure to dusts such as asbestos, silica, and coal mine dust. NIOSH requested comments on its previous draft Web pages:

“Recommendations for Applying the International Labour Office (ILO) International Classification of Radiographs of Pneumoconioses in Medical Diagnosis, Research and Population Surveillance, Worker Health Monitoring, Government Program Eligibility, and Compensation Settings” and “Ethical Considerations for B Readers” [Federal Register, Vol. 70, No. 221 (Thursday, November 17, 2005/ Notices at 69765–6)]. Based on the comments it received, NIOSH has developed a revised and expanded Web site that includes materials from those web pages and provides more information about radiographic reading and the ILO system, including recommendations for use of the ILO system in different settings.

We are specifically seeking public comment for the draft revised Web site:

“NIOSH Safety and Health Topic: Chest Radiography”

We are particularly interested in receiving public comment on the following Web page and associated pages located within the larger Web site: “Recommended Practices for Reliable Classification of Chest Radiographs by B Readers.”

The Web site “NIOSH Safety and Health Topic: Chest Radiography” can be found at <http://www.cdc.gov/niosh/topics/chestradiography/>.

Please review and submit your comments on this document to nioshdocket@cdc.gov. If you would prefer to have a hard copy rather than electronic, please contact NIOSH at this same e-mail address, and we will be happy to fax or mail copies of the documents to you.

The documents will remain available for comment until October 1, 2006. After that date, NIOSH will consider all the comments submitted and make appropriate revisions to the document before posting a final version on its Web site.

FOR FURTHER INFORMATION CONTACT:

David N. Weissman, MD, CDC/NIOSH, Division of Respiratory Disease Studies, Mailstop H–2900, 1095 Willowdale Road, Morgantown, WV 26505, 304–285–5749.

Information requests can also be submitted by e-mail to nioshdocket@cdc.gov.

Dated: May 26, 2006.

John Howard,

Director, National Institute for Occupational Safety and Health, Centers for Disease Control and Prevention.
