DEPARTMENT OF EDUCATION**National Assessment Governing Board****Solicitation of Public Comments for Updating the Writing Assessment Framework for the 2030 National Assessment of Educational Progress**

AGENCY: National Assessment Governing Board, U.S. Department of Education.

ACTION: Notice of opportunity for preliminary public comment for the Writing Assessment Framework for the 2030 National Assessment of Educational Progress (NAEP).

SUMMARY: The National Assessment Governing Board (Governing Board) is soliciting public comment for

preliminary guidance in updating the Assessment Framework for the 2030 National Assessment of Educational Progress (NAEP) in Writing.

SUPPLEMENTARY INFORMATION: The Governing Board is authorized to formulate policy guidelines for NAEP. Section 302 (e)(1)(c) of Public Law 107-279 specifies that the Governing Board determines the content to be assessed for each NAEP Assessment. Each NAEP subject area assessment is guided by a framework that defines the scope of the domain to be measured by delineating the knowledge and skills to be tested at each grade and subject, the format of the assessment, and the achievement level descriptions—guiding assessments that are valid, reliable, and reflective of widely accepted professional standards. The NAEP Writing Assessment Framework was last revised in 2007 for use in 2011 (the assessment was also administered in 2017 but results could not be reported due to technical issues). Comments received in response to this notice will be utilized to inform Governing Board decisions on the extent of revisions needed to update the NAEP Writing Assessment Framework. If needed, a Governing Board charge to launch the framework revision process is anticipated at the May 2023 quarterly Board meeting.

Public and private parties and organizations are invited to provide written comments and recommendations relative to the current framework, adopted in 2007. Comments should specifically address: (a) whether the 2017 NAEP Writing Framework needs to be updated; (b) if the framework needs to be updated, why a revision is needed; and (c) what should a revision to the framework include? This notice sets forth the review schedule and provides information for accessing additional materials that will be informative and useful for this review.

Assessment and Item Specifications elaborate on the framework as guidance for item development conducted by the National Center for Education Statistics (NCES) and the NAEP assessment development contractor(s). The framework development and update process also produces recommendations for contextual variables, which supports NCES' development of the questionnaires administered to students, teachers, and schools to help the public understand the achievement results in each subject. By engaging NAEP's audiences, partners, and stakeholders in the panels that provide recommendations for NAEP frameworks and by seeking public comment, NAEP
