- a. Credentials Transfer Brief, VA Form 10-0376a.
 - b. Credentials Supplemental Questions, VA Form 10-0376b.
- OMB Control Number:* 2900-New.

Type of Review: New Collection.

Abstract: Currently VHA requires that credentialing occur prior to extension of initial employment offers to health care providers. The credentialing occurs upon employment, transfer, or at the time of initiating practice at a new site. Although credentialing may have been completed by one VHA facility, policy requires that the credentialing process be repeated by the receiving facility. VA Form 10-0376a improves the efficiencies of this process by facilitating the sharing of already verified health care provider's credential data between facilities and decreases the potential for duplication of efforts.
