Abstract of Proposed Collection

MyTravelGov is an electronic account creation and validation portal. U.S. citizens who wish to submit applications for consular services online (electronic applications) instead of submitting paper applications must create a unique user account through MyTravelGov. The unique user account will safeguard the submission and storage of personally identifiable information necessary to process an online application. The information collected will also be used by servers to validate subsequent log-ons to the unique user account or attempts to reset the account password to ensure the security and integrity of accounts.

Methodology

Information is collected when an individual logs on to the MyTravelGov

web portal and elects to create a unique user account.

Deputy Director, Office of Directives Management, Department of State.

SURFACE TRANSPORTATION BOARD

[Docket No. FD 36601]

Great Basin and Northern Railroad—Change in Operators Exemption—in Elko and White Pine Counties, Nev.

Great Basin and Northern Railroad (Great Basin), a Class III rail carrier, has filed a verified notice of exemption pursuant to 49 CFR 1150.41 to assume operations over 127 miles of rail line between milepost 0.0 at or near Cobre, Nev., and milepost 127.0 at or near McGill Junction in White Pine County, Nev. (the Line).¹ The Line is owned by the City of Ely (the City) and the Nevada Northern Railway Foundation (the Foundation) and currently is operated by S&S Shortline Leasing, LLC (S&S). Great Basin states that it has recently reached an agreement with the City and the Foundation to replace S&S as the operator over the Line, and that S&S has agreed to cooperate in this change.

Great Basin states that it currently possesses Board authorization to operate a connecting line extending from milepost 127.0 to milepost 146.1 at or near Keystone, Nev., and two branch lines connecting to that line segment. *See Great Basin & N. R.R.—Change in Operators Exemption—City of Ely*, FD 34506 (STB served June 7, 2004); *Great Basin & N. R.R.—Change in Operators Exemption—City of Ely*, FD 36549 (STB served Nov. 27, 2020).

Great Basin certifies that the proposed transaction does not involve a provision or agreement that may limit future interchange with a third-party connecting carrier. Great Basin also certifies that its projected revenues as a result of the transaction will not result in the creation of a Class I or Class II rail carrier and will not exceed \$5 million.

Under 49 CFR 1150.42(b), a change in operator requires that notice be given to shippers. Great Basin states, however, that there are no customers on the Line.

The transaction may be consummated on or after April 28, 2022, the effective date of the exemption (30 days after the verified notice was filed).

¹ Great Basin states the STB previously authorized S&S Shortline Leasing, LLC, to operate the Line in *S&S Shortline Leasing, LLC—Operation Exemption—City of Ely, Nev.*, FD 35284 (STB served Aug. 14, 2009).
