

D. Categories of Records and Individuals Covered by the Matching Program

SSA will provide BPD with a finder file containing SSNs extracted from the Medicare database. BPD will match the SSNs in the finder file with the SSNs in its Savings Securities registration systems. This file will be formatted as stated in the attached Appendix. These records are included under the systems of records Treasury/BPD.002, United States Savings-Type Securities, and Treasury/BPD.008, Retail Treasury Securities Access Application, last published on July 23, 2008 at 73 FR 42906 and 42918, respectively. SSA will then match the BPD data with the new Medicare Part D and Part D Subsidy File system of records, SSA/ORSIS 60-0321, published at 69 FR 248 (December 28, 2004). As required by the Privacy Act, the Medicare Part D and Part D Subsidy File system of records was published in the **Federal Register** (Vol. 69, No. 248, pp. 77816-77822 [04-28302]) on Tuesday, December 28, 2004.

The number of records matched each year is determined in part by the number of people who file for subsidy for Part D. (In July 2007, there were 1,921,207 records matched.) BPD will perform the automated matching with its computer systems and provide the response file to SSA as soon as possible. This agreement covers the following matches:

(1) Screening for Potential Recipients

An ongoing monthly match of less than 200,000 potential applicants and those recipients who notify SSA of a change.

(2) Screening To Confirm Eligibility

Ongoing yearly matches of approximately two million recipients each year for confirming eligibility of individuals receiving Medicare Part D subsidy. SSA will substitute the yearly match file for the ongoing monthly match files and will not be a separate submission.

E. Inclusive Dates of the Matching Program

The matching program will become effective no sooner than 40 days after notice of the matching program is sent to Congress and OMB, or 30 days after publication of this notice in the **Federal Register**, whichever date is later. The matching program will continue for 18 months from the effective date and may be extended for an additional 12 months thereafter, if certain conditions are met.
