Full Text of Announcement

I. Funding Opportunity Description

Purpose of Program: The purpose of this program is to ensure that parents of children with disabilities receive training and information to help improve results for their children.

Priorities: This competition contains an absolute priority and two competitive preference priorities. In accordance with 34 CFR 75.105(b)(2)(iv) and (v), these priorities are from allowable activities specified in the statute, or otherwise authorized in the statute (see sections 672 and 681(d) of the Individuals with Disabilities Education Act (IDEA)).

Absolute Priority: For FY 2007 this priority is an absolute priority. Under 34 CFR 75.105(c)(3), we consider only applications that meet this priority.

This priority is: *Community Parent Resource Centers. Background:* This priority supports community parent training and information centers in targeted communities that will provide underserved parents of children with disabilities, including low-income parents, parents of limited English proficient children, and parents with disabilities in that community, with the training and information they need to enable them to participate effectively in helping their children with disabilities to—

(a) Meet developmental and functional goals, and challenging academic achievement goals that have been established for all children; and

(b) Be prepared to lead productive, independent adult lives, to the maximum extent possible.

In addition, a purpose of this priority is to ensure that children with disabilities and their parents receive training and information on their rights, responsibilities, and protections under IDEA in order to develop the skills necessary to cooperatively and effectively participate in planning and decision making relating to early intervention, educational, and transitional services.

Text of Priority: Each community parent resource center assisted under this priority shall—

(a) Provide training and information that meets the training and information needs of parents of children with disabilities within the proposed targeted community to be served by the center, particularly underserved parents and parents of children who may be inappropriately identified as having disabilities when they do not have them;

Note: For purposes of this priority, “community to be served” refers to a

community whose members experience significant isolation from available sources of information and support as a result of cultural, economic, linguistic, or other circumstances deemed appropriate by the Secretary.

(b) Carry out the following activities required of parent training and information centers:

(1) Serve the parents of infants, toddlers, and children, from ages birth through 26, with the full range of disabilities described in section 602(3) of IDEA.

(2) Ensure that the training and information provided meets the needs of low-income parents and parents of limited English proficient children.

(3) Assist parents to—

(A) Better understand the nature of their children’s disabilities and their educational, developmental, and transitional needs;

(B) Communicate effectively and work collaboratively with personnel responsible for providing special education, early intervention services, transition services, and related services;

(C) Participate in decision making processes, including those regarding participation in State and local assessments, and the development of individualized education programs under Part B of IDEA and individualized family service plans under Part C of IDEA;

(D) Obtain appropriate information about the range, type, and quality of—

(1) Options, programs, services, technologies, practices, and interventions that are based on scientifically based research, to the extent practicable; and

(2) Resources available to assist children with disabilities and their families in school and at home, including information available through the Office of Special Education Programs’ (OSEP) technical assistance network and Communities of Practice;

(E) Understand the provisions of IDEA for the education of, and the provision of early intervention services to, children with disabilities;

(F) Participate in activities at the school level that benefit their children; and

(G) Participate in school reform activities.

(4) In States where the State elects to contract with the parent training and information center, contract with the State educational agencies to provide, consistent with paragraphs (B) and (D) of section 615(e)(2) of IDEA, individuals to meet with parents in order to explain the mediation process.

(5) Assist parents in resolving disputes in the most expeditious and

effective way possible, including encouraging the use, and explaining the benefits, of alternative methods of dispute resolution, such as the mediation process described in section 615(e) of IDEA.

(6) Assist parents and students with disabilities to understand their rights and responsibilities under IDEA, including those under section 615(m) of IDEA upon the student's reaching the age of majority (as appropriate under State law).

(7) Assist parents to understand the availability of, and how to effectively use, procedural safeguards under IDEA, including the resolution session described in section 615(e) of IDEA.

(8) Assist parents in understanding, preparing for, and participating in, the resolution session as described in section 615(f)(1)(B) of IDEA;

(c) Establish cooperative partnerships with any parent training and information centers and any other community parent resource centers funded in the State under sections 671 and 672 of IDEA;

(d) Be designed to meet the specific needs of families who experience significant isolation from available sources of information and support;

(e) Familiarize themselves with the provision of special education, related services, and early intervention services in the areas they serve to help ensure that children with disabilities are receiving appropriate services;

(f) Annually report to the Department on—

(1) The number and demographics of parents to whom it provided information and training in the most recently concluded fiscal year, including additional information regarding their unique needs and levels of service provided to them; and

(2) The effectiveness of strategies used to reach and serve parents, including underserved parents of children with disabilities, by providing evidence of how those parents were served effectively;

(g) Respond to requests from the National Technical Assistance Center (NTAC) and Regional Parent Technical Assistance Centers (PTACs) and use the technical assistance services of the NTAC and PTACs in order to serve the families of infants, toddlers, and children with disabilities as efficiently as possible. PTACs are charged with assisting parent centers with administrative and programmatic issues;

(h) Budget for a two-day Project Directors' meeting in Washington, DC during each year of the project. In addition, a project's budget must include funds for the center's project

director to attend a Regional Project Directors meeting to be held each year of the project;

(i) If the community parent resource center maintains a Web site, include relevant information and documents in a format that meets a government or industry-recognized standard for accessibility;

(j) Prior to developing any new product, whether paper or electronic, submit for approval a proposal describing the content and purpose of the product to the document review board of OSEP's Dissemination Center; and

(k) In collaboration with OSEP and the NTAC, participate in an annual collection of program data for the community parent resource centers and the parent training and information centers.

Competitive Preference Priorities: Within this absolute priority, we give competitive preference to applications that address the following priorities. Under 34 CFR 75.105(c)(2)(i), we will award up to ten additional points to an application that meets these priorities.

Empowerment Zones, Enterprise Communities or Renewal Communities

This priority is:

We will award five points to an application that proposes to provide services to one or more Empowerment Zones, Enterprise Communities, or Renewal Communities that are designated within the areas served by the center. (A list of areas that have been selected as Empowerment Zones, Enterprise Communities, or Renewal Communities can be found at http://egis.hud.gov/egis/cpd/rcezec/ezec_open.htm).

To meet this priority, an applicant must indicate that it will—

(a)(1) Design a program that includes special activities focused on the unique needs of one or more Empowerment Zones, Enterprise Communities, or Renewal Communities; or

(2) Devote a substantial portion of program resources to providing services within, or meeting the needs of residents of, these zones and communities;

(b) As appropriate, contribute to the strategic plan of the Empowerment Zones, Enterprise Communities, or Renewal Communities and become an integral component of the Empowerment Zone, Enterprise Community, or Renewal Community activities.

Novice Applicants

This priority is:

To meet this priority, the applicant must be a "novice applicant." This priority is from 34 CFR 75.225. We will award an additional five points to an application that meets this priority.

The term "novice applicant" means any applicant for a grant from the U.S. Department of Education that—

(1) Has never received a grant or subgrant under the program from which it seeks funding;

(2) Has never been a member of a group application, submitted in accordance with 34 CFR 75.127 through 75.129, that received a grant under the program from which it seeks funding; and

(3) Has not had an active discretionary grant from the Federal Government in the five years before the deadline date for applications under this program (Training and Information for Parents of Children with Disabilities—Community Parent Resource Centers). For the purposes of this requirement, a grant is active until the end of the grant's project or funding period, including any extensions of those periods that extend the grantee's authority to obligate funds.

In the case of a group application submitted in accordance with 34 CFR 75.127 through 75.129, all group members must meet the requirements described in this priority to qualify as a novice applicant.

Therefore, for purposes of these competitive preference priorities, applicants can be awarded up to a total of 10 points in addition to those awarded under the selection criteria for this competition (see *Selection Criteria* in section V of this notice). That is, an applicant meeting the competitive preference priorities could earn a maximum total of 110 points.

Waiver of Proposed Rulemaking: Under the Administrative Procedure Act (APA) (5 U.S.C. 553) the Department generally offers interested parties the opportunity to comment on proposed priorities. However, section 681(d) of IDEA makes the public comment requirements under the APA inapplicable to the priorities in this notice.

Program Authority: 20 U.S.C. 1472.

Applicable Regulations: The Education Department General Administrative Regulations (EDGAR) in 34 CFR parts 74, 75, 77, 79, 81, 82, 84, 85, 97, 98, and 99.

Note: The regulations in 34 CFR part 79 apply to all applicants except federally recognized Indian tribes.
