**Calhoun Power Company I, LLC;
Notice of Issuance of Order**

July 13, 2001.

Calhoun Power Company I, LLC (Calhoun) filed with the Commission, in the above-docketed proceeding, a proposed tariff under which Calhoun will engage in the sale of wholesale electric capacity, energy, and certain ancillary services at market-based rates, and a long-term service agreement with Alabama Power Company. Calhoun's filing also requested certain waivers and authorizations. In particular, Calhoun requested that the Commission grant blanket approval under 18 CFR part 34 of all future issuances of securities and assumptions of liabilities by Calhoun. On July 12, 2001, the Commission issued an order that accepted the tariff for sales of capacity and energy at market-based rates (Order), in the above-docketed proceeding.

The Commission's July 12, 2001 Order granted Calhoun's request for blanket approval under part 34, subject to the conditions found in Appendix A in Ordering Paragraphs (2), (3), and (5):

(2) Within 30 days of the date of this order, any person desiring to be heard or to protest the Commission's blanket approval of issuances of securities or assumptions of liabilities by Calhoun should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure, 18 CFR 385.211 and 385.214.

(3) Absent a request to be heard within the period set forth in Paragraph

(2) above, Calhoun is hereby authorized to issue securities and assume obligations and liabilities as guarantor, indorser, surety or otherwise in respect of any security of another person; provided that such issue or assumption is for some lawful object within the corporate purposes of Calhoun, compatible with the public interest, and reasonably necessary or appropriate for such purposes.

(5) The Commission reserves the right to modify this order to require a further showing that neither public nor private interests will be adversely affected by continued Commission approval of Calhoun's issuances of securities or assumptions of liabilities. * * *

Notice is hereby given that the deadline for filing motions to intervene or protests, as set forth above, is August 13, 2001.
