### Rural Housing Service

*Title:* 7 CFR 1951–F, Analyzing Credit Needs and Graduation Review.

*OMB Control Number:* 0575–0093.

*Summary of Collection:* The Rural Housing Service (RHS or the Agency) offers a variety of programs to build and improve housing and essential community facilities in rural areas. The Agency offers loans, grants, loan guarantees, and supervised credit in the form of Community Facility (CF) loans. The CF loan program of RHS is authorized by Section 306 of the Consolidated Farm and Rural Development Act (CONACT) (7 U.S.C. 1926). The purpose of the CF loan program is to make loans to public entities, nonprofit corporations, and Indian tribes for the development of essential community facilities for public use in rural areas. The notes, security instruments, or loan agreements of most borrowers require them to refinance their Agency loans when other credit becomes available at reasonable rates and terms for loan graduation, otherwise known as loan graduation. Direct loan graduation is an integral part of the Agency's lending, as government issued loans are not meant to be extended beyond a borrower's need for subsidized rates or non-market terms.

Section 333 of the CONACT (7 U.S.C. 1983), as amended, requires the Agency to graduate their direct loan borrowers to other credit when they can. Graduation is required because the government loans are not to be extended beyond a borrower's need for subsidized rates or Government credit. Borrowers must refinance their direct Government loan when other credit becomes available at reasonable rates and terms. If other credit is not available, the Agencies will continue to periodically review the account for possible graduation intervals.

*Need and Use of the Information:* The information is collected by the Agency which will be used in the Agency's

efforts to graduate direct loan borrowers to private credit, with or without the Agency loan guarantees. The Agency will conduct a thorough review of the borrower's financial information to determine whether they are able to graduate to other credit. RHS uses this information to evaluate the borrower's financial condition for direct loan graduation purposes and which assists the Agency with the review of the borrower's financial strength and repayment ability. This review will eliminate borrowers who are unable to meet the lending criteria and policies of the area lenders.

*Description of Respondents:* Business or other for-profit.

*Number of Respondents:* 437.

*Frequency of Responses:* Reporting: Annually.

*Total Burden Hours:* 874.
