

Permit No. 13544 authorizes the permit holder to characterize the aggregations of Kemp's ridley, loggerhead, green, and hawksbill sea turtles in the nearshore waters of Lee County in southwest Florida by annually performing capture, weighing, passive integrated transponder (PIT) tagging, biopsy sampling; and for subsets of animals, fecal sampling and external tagging). The modified permit authorizes researchers to additionally satellite tag a subset of Kemp's ridley and loggerhead sea turtles to determine their seasonal distribution and possible migrations in the southeastern Gulf of Mexico. The permit modification is valid until the permit expires on April 30, 2014.

Permit No. 13307-01 authorizes the permit holder to addresses fine-scale temporal and spatial patterns of sea turtle habitat use, ecology, and genetic origin within the Dry Tortugas National Park by annually capturing, weighing, flipper tagging, PIT tagging, and sampling (blood, tissue, feces, and lavage) green, hawksbill, and loggerhead sea turtles, a subset of which may be externally tagged with satellite and acoustic transmitters. The permit modification increases the number of green sea turtles that may be captured to 80 per year due to the high rate of recent capture success. The modification is valid until the permit expires on June 30, 2013.

Issuance of these permits, as required by the ESA, was based on a finding that such permits (1) Were applied for in good faith, (2) will not operate to the disadvantage of such endangered or threatened species, and (3) are consistent with the purposes and policies set forth in section 2 of the ESA.

Dated: December 3, 2010.

SUPPLEMENTARY INFORMATION:

Title: Procedural Requirements for Requests for Interpretative, No-Action, and Exemptive Letters (OMB Control No. 3038-0049). This is a request for extension of a currently approved information collection.

Abstract: Commission Regulation 140.99 requires persons submitting requests for exemptive, no-action, and interpretative letters to provide specific written information, certified as to completeness and accuracy, and to update that information to reflect material changes. Regulation 140.99 was promulgated pursuant to the Commission's rulemaking authority contained in Section 8a(5) of the Commodity Exchange Act, 7 U.S.C. 12a(5) (2000). Regulation 41.3 requires securities brokers and dealers submitting requests for exemptive orders to provide specified written information in support of such requests. Regulation 41.3 was promulgated in response to the requirement in the Commodity Futures Modernization Act of 2000 that the Commission establish procedures for requesting such orders.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control numbers for the CFTC's regulations were published on December 30, 1981. See 46 FR 63035 (Dec. 30, 1981). The **Federal Register** notice with a 60-day comment period soliciting comments on this collection of information was published on September 29, 2010 (75 FR 60087).

Burden statement: The respondent burden for this collection is estimated to average 7 hours per response. These estimates include the time needed to review instructions; develop, acquire, install, and utilize technology and systems for the purposes of collecting, validating, and verifying information, processing and maintaining information and disclosing and providing information; adjust the existing ways to comply with any previously applicable

instructions and requirements; train personnel to be able to respond to a collection of information; and transmit or otherwise disclose the information.

Respondents/Affected Entities:

Futures Commission Merchants, Introducing Brokers, Commodity Pool Operators, Commodity Trading Advisors, Associated Persons, Floor Brokers, Floor Traders, Securities Brokers and Dealers, Retail Foreign Exchange Dealers.

Estimated number of respondents: 100.

Estimated total annual burden on respondents: 1,050 hours.

Frequency of collection: On occasion.

Send comments regarding the burden estimated or any other aspect of the information collection, including suggestions for reducing the burden, to the addresses listed below. Please refer to OMB Control No. 3038-0049 in any correspondence.
