

DEPARTMENT OF THE TREASURY**United States Mint****Notification of Citizens Coinage Advisory Committee; Public Meeting**

ACTION: Notification of Citizens Coinage Advisory Committee January 21, 2020, public meeting.

SUMMARY: The United States Mint announces the Citizens Coinage Advisory Committee (CCAC) public meeting scheduled for January 21, 2020.

Date: January 21, 2020.

Time: 12:00 p.m. to 2:00 p.m.

Location: 2nd Floor Conference Room A&B, United States Mint, 801 9th Street NW, Washington, DC 20220.

Subject: Review and discussion of candidate designs for gold coins and silver and bronze medals commemorating the 75th anniversary of the end of World War II.

Interested members of the public may either attend the meeting in person or dial in to listen to the meeting at (866) 564-9287/Access Code: 62956028.

Interested persons should call the CCAC HOTLINE at (202) 354-7502 for the latest update on meeting time and room location.

Any member of the public interested in submitting matters for the CCAC's consideration is invited to submit them by email to info@ccac.gov.

The CCAC advises the Secretary of the Treasury on any theme or design proposals relating to circulating coinage, bullion coinage, Congressional Gold Medals, and national and other medals; advises the Secretary of the Treasury with regard to the events, persons, or places to be commemorated by the issuance of commemorative coins in each of the five calendar years succeeding the year in which a commemorative coin designation is made; and makes recommendations with respect to the mintage level for any commemorative coin recommended.

Members of the public interested in attending the meeting in person will be admitted into the meeting room on a first-come, first-serve basis as space is limited. Conference Room A&B can accommodate up to 50 members of the public at any one time. In addition, all persons entering a United States Mint facility must adhere to building security protocol. This means they must consent to the search of their persons and objects in their possession while on government grounds and when they enter and leave the facility, and are prohibited from bringing into the facility weapons of any type, illegal drugs, drug paraphernalia, or contraband.

The United States Mint Police Officer conducting the screening will evaluate whether an item may enter into or exit from a facility based upon Federal law, Treasury policy, United States Mint policy, and local operating procedure; and all prohibited and unauthorized items will be subject to confiscation and disposal.

BILLING CODE P

DEPARTMENT OF VETERANS AFFAIRS**Reasonable Charges for Medical Care or Services; v3.27 and National Average Administrative Prescription Drug Charge; Calendar Year 2020 Update**

AGENCY: Department of Veterans Affairs.

ACTION: Notice.

SUMMARY: This Department of Veterans Affairs (VA) notice updates the data for calculating the "Reasonable Charges" collected or recovered by VA for medical care or services. This notice also updates the "National Average Administrative Prescription Costs" for purposes of calculating VA's charges for prescription drugs that were not administered during treatment, but provided or furnished by VA to a veteran.

FOR FURTHER INFORMATION CONTACT:

Romona Greene, Office of Community Care, Revenue Operations, Payer Relations and Services, Rates and Charges (10D1C1), Veterans Health Administration (VHA), Department of Veterans Affairs, 810 Vermont Avenue NW, Washington, DC 20420, (202) 382-2521. (This is not a toll free number).

SUPPLEMENTARY INFORMATION: Section (§) 17.101(a)(1) of 38 Code of Federal Regulations (CFR) sets forth the "Reasonable Charges" for medical care or services provided or furnished by VA to a veteran: "for a nonservice-connected disability for which the veteran is entitled to care (or the payment of expenses for care) under a health plan contract; for a nonservice-connected disability incurred incident to the veteran's employment and

covered under a worker's compensation law or plan that provides reimbursement or indemnification for such care and services; or for a nonservice-connected disability incurred as a result of a motor vehicle accident in a State that requires automobile accident reparations insurance." Section 17.101 provides the methodologies for establishing billed amounts for several types of charges; however, this notice will only address partial hospitalization facility charges; outpatient facility charges; physician and other professional charges, including professional charges for anesthesia services and dental services; pathology and laboratory charges; observation care facility charges; ambulance and other emergency transportation charges; and charges for durable medical equipment, drugs, injectables, and other medical services, items, and supplies identified by Healthcare Common Procedure Coding System (HCPCS) Level II codes.

Section 17.101(a)(2) provides that the actual charge amounts at individual VA medical facilities based on these methodologies and the data sources used for calculating those actual charge amounts will either be published as a notice in the **Federal Register** or will be posted on VA's Community Care website at https://www.va.gov/communitycare/revenue_ops/payer_rates.asp.

Certain charges are hereby updated as stated in this notice and will be effective on January 1, 2020.

In cases where VA has not established charges for medical care or services provided or furnished at VA expense (by either VA or non-VA providers) under other provisions or regulations, the method for determining VA's charges is set forth at 38 CFR 17.101(a)(8).

Based on the methodologies set forth in § 17.101, this notice provides an update to charges for Calendar Year (CY) 2020 HCPCS Level II and Current Procedural Terminology codes. Charges are also being updated based on more recent versions of data sources for the following charge types: Partial hospitalization facility charges; outpatient facility charges; physician and other professional charges, including professional charges for anesthesia services and dental services; pathology and laboratory charges; observation care facility charges; ambulance and other emergency transportation charges; and charges for durable medical equipment, drugs, injectables, and other medical services, items, and supplies identified by HCPCS Level II codes.
