SUPPLEMENTARY INFORMATION:

Purpose: The Advisory Committee to the Director, CDC, shall advise the Secretary, HHS, and the Director, CDC, on policy and broad strategies that will enable CDC to fulfill its mission of protecting health through health promotion, prevention, and preparedness. The committee recommends ways to prioritize CDC's activities, improve results, and address health disparities. It also provides guidance to help CDC work more effectively with its various private and public sector constituents to make health protection a practical reality.

Matters To Be Considered: The agenda will include discussions on CDC's current work and priorities as they relate to: (1) Health equity and (2) public health system infrastructure issues regarding data modernization and/or support for the public health workforce. Agenda items are subject to change as priorities dictate.

Public Participation

Interested persons or organizations are invited to participate by submitting written views, recommendations, and data. Please note that comments received, including attachments and other supporting materials, are part of the public record and are subject to public disclosure. Comments will be posted on <https://www.regulations.gov>. Therefore, do not include any information in your comment or supporting materials that you consider confidential or inappropriate for public disclosure. If you include your name, contact information, or other information that identifies you in the body of your comments, that information will be on public display. CDC will review all submissions and may choose to redact, or withhold, submissions containing private or proprietary information such as Social Security numbers, medical information, inappropriate language, or duplicate/near duplicate examples of a mass-mail campaign. CDC will carefully consider all comments submitted into the docket.

Written Public Comment: The docket will be opened to receive written comments on January 13, 2022 through January 28, 2022.

Oral Public Comment: This meeting will include time for members of the public to make an oral comment. Oral public comment will occur before any scheduled votes. Priority will be given to individuals who submit a request to make an oral public comment before the meeting according to the procedures below.

Procedure for Oral Public Comment: All persons interested in making an oral public comment at the February 1, 2022 ACD meeting must submit a request by visiting <https://www.cdc.gov/about/advisory-committee-director/meetings> no later than 11:59 p.m., EST, January 24, 2022, according to the instructions provided.

If the number of persons requesting to speak is greater than can be reasonably accommodated during the scheduled time, CDC will conduct a lottery to determine the speakers for the scheduled public comment session. CDC staff will notify individuals regarding their request to speak by email by January 28, 2022. To accommodate the significant interest in participation in the oral public comment session of ACD meetings, each speaker will be limited to 3 minutes, and each speaker may only speak once per meeting.

**Administration for Children and
Families**

**Proposed Information Collection
Activity; Head Start Program
Information Report (OMB #0970-0427)**

AGENCY: Office of Head Start,
Administration for Children and
Families, HHS.

ACTION: Request for public comment.

SUMMARY: The Administration for Children and Families' (ACF) Office of Head Start (OHS) is requesting a 3-year extension of the Head Start Program Information Report (PIR), Monthly Enrollment reporting instrument, and Center Locations and Contacts instrument (OMB #0970-0427, expiration 4/30/2022). OHS has made updates to these instruments, as described below.

DATES: *Comments due within 60 days of publication.* In compliance with the requirements of the Paperwork Reduction Act of 1995, ACF is soliciting public comment on the specific aspects of the information collection described above.

ADDRESSES: You can obtain copies of the proposed collection of information and submit comments by emailing infocollection@acf.hhs.gov. Identify all requests by the title of the information collection.

SUPPLEMENTARY INFORMATION:

Description: OHS is requesting an extension, with changes, of the Head Start PIR information collection authority. The following instruments are included in this information collection: (1) PIR, (2) Monthly Enrollment, and (3) Center Locations and Contacts. The PIR is used for federal program management purposes including to promote decision-making using data, is a major source of information used to respond to Congressional and public inquiries about Head Start programs, and is used often by researchers. Monthly enrollment reporting supports oversight activities related to promoting full enrollment of programs. Center locations and contact reporting is used to help parents locate a program in their community. In general, these information collections together create key administrative datasets to support administration of the program. The proposed changes include new questions on the PIR to collect information on collaboration activities with Part C agencies and the average benefits provided to certain education staff as part of their compensation. Additionally, new questions were added to the centers reporting to capture participation in a local or state Quality Rating Improvement System and licensing status for each center. Lastly, minor changes were made to these instruments for clarification purposes.

Respondents: Head Start Grant Recipients.

ANNUAL BURDEN ESTIMATES

Instrument	Annual number of respondents	Annual number of responses per respondent	Average burden hours per response	Annual burden hours
Head Start PIR	1,600	2.25	1	3,600
Monthly Enrollment	1,600	27	0.05	2,160
Center Locations and Contacts	1,600	15	0.25	6,000

Estimated Total Annual Burden Hours: 11,760.

Comments: The Department specifically requests comments on (a) whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information; (c) the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the

use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted within 60 days of this publication.

Authority: 42 U.S.C. 9801 *et seq.*
