Proposed Project

Tests and Requirements for Certification and Approval of Respiratory Protective Devices (42 CFR 84 Regulation) OMB No. 0920-0109—Extension—National Institute for Occupational Safety and Health (NIOSH), Centers for Disease Control and Prevention (CDC). The regulatory authority for the National Institute for Occupational Safety and Health (NIOSH) certification program for respiratory protective devices is found in the Mine Safety and Health Amendments Act of 1977 (30 U.S.C. 577a, 651 *et seq.*, and 657(g)) and the Occupational Safety and Health Act of

1970 (30 U.S.C. 3, 5, 7, 811, 842(h), 844). These regulations have, as their basis, the performance tests and criteria for approval of respirators used by millions of American construction workers, miners, painters, asbestos removal workers, fabric mill workers, and fire fighters. In addition to benefitting industrial workers, the improved testing requirements also benefit health care workers implementing the current CDC Guidelines for Preventing the Transmission of Tuberculosis. Regulations of the Environmental Protection Agency (EPA) and the Nuclear Regulatory Commission (NRC) also require the use of NIOSH-approved respirators. NIOSH, in accordance with implementing regulations 42 CFR 84: (1) Issues certificates of approval for respirators which have met improved construction, performance, and protection requirements; (2) establishes procedures and requirements to be met in filing applications for approval; (3) specifies minimum requirements and methods to be employed by NIOSH and by applicants in conducting inspections, examinations, and tests to determine effectiveness of respirators; (4) establishes a schedule of fees to be charged applicants for testing and certification, and (5) establishes approval labeling requirements. There are no cost to respondents.

Part 1. Competitive Grant Areas and Summaries of Evaluation Criteria

Applicants must refer to the specific evaluation criteria for each competitive area contained in the official Program Announcement in order to adequately prepare their applications.

A. Basic Centers Program, CFDA# 93.623 (Competitive Grant Area A)

Program Purpose, Goals and Objectives

The purpose of this program is to establish or strengthen locally controlled, community-based programs that address the immediate needs of runaway and homeless youth and their families. Services must be delivered outside of the law enforcement, child welfare, mental health and juvenile justice systems. The program goals and objectives of the Basic Center Program are to:

- Alleviate problems of runaway and homeless youth;
- Reunite youth with their families and encourage the resolution of intra-family problems through counseling and other services.
- Strengthen family relationships and encourage stable living conditions for youth; and
- Help youth decide upon constructive courses of action.

Eligible Applicants

Any State, unit of local government, combination of units of local government, public or private nonprofit

agency, organization or institution is eligible to apply for these funds. Federally recognized Indian Tribes are eligible to apply for Basic Center grants. Indian Tribes that are not federally recognized and urban Indian organizations are also eligible to apply for grants as private, nonprofit agencies.

Current Basic Center grantees with project periods ending on or before September 30, 2001, and all other eligible applicants not currently receiving Basic Center funds, may apply for a new competitive Basic Center grant under this announcement.

Current Basic Center Program grantees (including subgrantees) with one or two years remaining on their current grant and the expectation of continuation funding in FY 2001 may not apply for a new Basic Center grant for the community they currently serve. These grantees will receive instructions from their respective ACF Regional Offices on the procedures for applying for noncompetitive continuation grants.

Federal Share of Project Costs

Priority will be given to applicants that apply for less than \$200,000 per year. The maximum Federal share for a 3-year project period is \$600,000.

Applicant Share of Project Costs

Grantees must provide a non-Federal share or match of at least ten percent of the Federal funds awarded. The non-Federal share may be met by cash or in-kind contributions, although applicants are encouraged to meet their match requirements through cash contributions. Therefore, a three-year project costing \$300,000 in Federal funds (based on an award of \$100,000 per 12-month budget period) must provide a match of at least \$30,000 (\$10,000 per budget period). Grantees will be held accountable for commitments of non-Federal resources even if over the amount of the required match. Failure to provide the amount will result in disallowance of Federal match.

Duration of Project

This announcement solicits applications for Basic Center programs of up to three years duration (36-month project periods). Initial grant awards,

made on a competitive basis, will be for one-year (12-month) budget periods. Applications for non-competitive continuation grants beyond the one-year budget periods, but within the 36-month project periods, will be entertained in subsequent years, subject to the availability of funds, satisfactory progress of the grantee and determination that continued funding would be in the best interest of the government.

B. Street Outreach Program, CFDA# 93.557 (Competitive Grant Area B)

Program Purpose, Goals and Objectives

The overall purpose of SOP is to provide education and prevention services to runaway, homeless and street youth who have been subjected to or are at risk of sexual exploitation or abuse. The goal of the program is to establish and build relationships between street youth and program outreach staff in order to help youth leave the streets. The objective of the program is to provide support services that will assist the youth in moving and adjusting to a safe and appropriate alternative living arrangement. These services include, at a minimum, treatment, counseling, provision of information and referral services. Street outreach programs must have access to local emergency shelter space that is an appropriate placement for young people and that can be made available for youth willing to come in off the streets. In addition, street outreach staff must have access to the shelter in order to maintain interaction with the youth during the time they are in the shelter.

Eligible Applicants

Any private, nonprofit agency is eligible to apply for these funds. Non-Federally recognized Indian Tribes and urban Indian organizations are eligible to apply for grants as private, non-profit agencies. Please note that public agencies are NOT eligible to apply for these funds.

Current Street Outreach Program grantees with project periods ending on or before September 30, 2001, and all other eligible applicants not currently receiving SOP funds, may apply for a new competitive SOP grant under this announcement.

Current Street Outreach Program grantees (including subgrantees) with one or two years remaining on their current grant and the expectation of continuation funding in FY 2001 may not apply for a new Street Outreach grant for the community they currently serve. These grantees will receive instructions from their respective ACF

Regional Offices on the procedures for applying for continuation grants.

Federal Share of Project Costs

Applicants may apply for up to \$100,000 in Federal support each year, a maximum of \$300,000 for a 3-year project period. The maximum Federal share of project costs is \$100,000 for 12 months.

Applicant Share of Project Cost

SOP grantees must provide a non-Federal share or match of at least ten percent of the Federal funds awarded. (There are certain exceptions for Tribes with "638" funding pursuant to Pub. L. 93-638, under which certain Federal grants may qualify as matching funds for other Federal grant programs, e.g., those which contribute to the purposes for which grants under section 638 were made.) The non-Federal share may be met by cash or in-kind contributions, although applicants are encouraged to meet their match requirements through cash contributions. For example, a project requesting \$100,000 in Federal funds must include a match of at least \$10,000.

Duration of Project

This announcement solicits applications for Street Outreach Program projects of up to three years (36-month project periods). Initial grant awards, made on a competitive basis, will be for one-year (12-month) budget periods. Applications for non-competing continuation grants beyond the one-year budget periods, but within the 36-month project periods, will be considered subject to the availability of funds, satisfactory progress of the grantee and determination that continued funding would be in the best interest of the government.

Bonus points shall be awarded to applicant organizations who have demonstrated experience in providing services to runaway, homeless and street youth.

Applicants will be expected to provide a plan for project continuance beyond grant support, including a plan for securing resources and continuing project activities after Federal assistance has ceased and an annotated listing of applicant's funding sources. Such plans should include written agreements, if applicable, between grantees and subgrantees or subcontractors or other cooperating and letters of support and statements from community, public and

commercial leaders that support the project proposed for funding.

Applicants must refer to the specific evaluation criteria for each competitive area contained in the full Program Announcement in order to adequately prepare their applications.

Criterion 6: Budget and Budget Justification (10 points)

Part 2. Required Notification of the Single Point of Contact

Most portions of this program are covered under Executive Order 12372, Intergovernmental Review of Federal Programs, and 45 CFR part 100, Intergovernmental Review of Department of Health and Human Services Program and Activities. All States and Territories except Alabama, Alaska, Colorado, Connecticut, Hawaii, Idaho, Kansas, Louisiana, Massachusetts, Minnesota, Montana, Nebraska, New Jersey, New York, Ohio, Oklahoma, Oregon, Palau, Pennsylvania, South Dakota, Tennessee, Vermont, Virginia, Washington, and American Samoa have elected to participate in the Executive Order process and have established Single Points of Contact (SPOCs). Applicants from these twenty-three jurisdictions need take no action regarding E.O. 12372. Applicants for projects to be administered by Federally-recognized Indian Tribes are also exempt from the requirements of E.O. 12372. Otherwise, applicants should contact their SPOCs as soon as possible to alert them of the prospective applications and receive any necessary instructions. Applicants must submit any required material to the SPOCs as soon as possible so that the program office can obtain and review SPOC comments as part of the award process. It is imperative that the

applicant submit all required materials, if any, to the SPOC and indicate the date of this submittal (or the date of contact if no submittal is required) on the Application for Federal Assistance, Standard Form 424, item 16.

Under 45 CFR 100.8(a)(2), a SPOC has 60 days from the application deadline to comment on proposed new or competing continuation awards.
