Title: Small Business Claim Notice and Proof of Loss.

Type of Information Collection: New collection.

Abstract: The form requests basic information identifying claimant(s) and describing their business losses in order to ascertain a claimant's eligibility for Cerro Grande fire claims assistance. The information is intended to be the only step for a business claimant who seeks compensation of \$10,000 or less under the Cerro Grande Fire Assistance Act. It will be used by FEMA and other Federal agencies to determine whether a claimant has made the election of remedies—the CGFAA, the Federal Tort Claims Act, or a civil action authorized by any other law, and to track claims from the date received until the date of final payment. It will also be used to determine eligibility for compensation, evaluate the claim, and make payment.
