committee agendas are accessible via the internet at http://www.fao.org/faowho-codexalimentarius/meetings/en/. The U.S. Codex Office also maintains a website at http://www.usda.gov/codex.

SUPPLEMENTARY INFORMATION:

Background

The World Trade Organization (WTO) was established on January 1, 1995, as the common international institutional framework for the conduct of trade relations among its members in matters related to the Uruguay Round Trade Agreements. The WTO is the successor organization to the General Agreement on Tariffs and Trade (GATT). United States membership in the WTO was approved and the Uruguay Round Agreements Act (Uruguay Round Agreements) was signed into law by the President on December 8, 1994, Public Law 103-465, 108 Stat. 4809. The Uruguay Round Agreements became effective with respect to the United States on January 1, 1995. The Uruguay Round Agreements amended the Trade Agreements Act of 1979. Pursuant to section 491 of the Trade Agreements Act of 1979, as amended, the President is required to designate an agency to be "responsible for informing the public of the sanitary and phytosanitary (SPS) standard-setting activities of each international standard-setting organization" (19 U.S.C. 2578). The main international standard-setting organizations are the Codex Alimentarius (Codex), the World Organisation for Animal Health (WOAH, founded as OIE), and the International Plant Protection Convention (IPPC). The President, pursuant to Proclamation No. 6780 of March 23, 1995, (60 FR 15845), designated the U.S. Department of Agriculture as the agency responsible for informing the public of the SPS standard-setting activities of each international standard-setting organization. The Secretary of Agriculture has delegated to the Trade and Foreign Agricultural Affairs Mission Area the responsibility to inform the public of the SPS standardsetting activities of Codex. The Trade and Foreign Agricultural Affairs Mission Area has, in turn, assigned the responsibility for informing the public of the SPS standard-setting activities of Codex to the U.S. Codex Office (USCO).

Codex was created in 1963. Codex is the principal international organization for establishing standards for food. Through adoption of food standards, codes of practice, and other guidelines developed by its committees, and by promoting their adoption and implementation by governments, Codex seeks to protect the health of consumers, ensure fair practices in the food trade, and promote coordination of food standards work undertaken by international governmental and nongovernmental organizations. In the United States, U.S. Codex activities are managed and carried out by the United States Department of Agriculture (USDA); the Food and Drug Administration (FDA), Department of Health and Human Services (HHS); the National Oceanic and Atmospheric Administration (NOAA), Department of Commerce (DOC); and the **Environmental Protection Agency** (EPA).

As the agency responsible for informing the public of the SPS standard-setting activities of Codex, the USCO publishes this notice in the **Federal Register** annually. *Attachment* 1: Sanitary and Phytosanitary Activities of Codex sets forth the following information:

- 1. The SPS standards under consideration or planned for consideration; and
- 2. For each SPS standard specified: a. A description of the consideration or planned consideration of the
- standard; b. Whether the United States is participating or plans to participate in the consideration of the standard;
- c. The agenda for United States participation, if any; and
- d. The agency responsible for representing the United States with respect to the standard.

To obtain copies of the standards listed in *Attachment 1: Sanitary and Phytosanitary Activities of Codex,* please contact the U.S. delegate or the U.S. Codex Office.

This notice also solicits public comment on standards that are currently under consideration or planned for consideration and recommendations for new standards. The U.S. delegate, in conjunction with the responsible agency, will take the comments received into account in participating in the consideration of the standards and in proposing matters to be considered by Codex.

The U.S. delegate will facilitate public participation in the United States Government's activities relating to Codex. The U.S. delegate will maintain a list of individuals, groups, and organizations that have expressed an interest in the activities of the Codex committees and will disseminate information regarding U.S. delegation activities to interested parties. This information will include the status of each agenda item; the U.S.

Government's position or preliminary position on each agenda item; and the time and place of planning meetings and debriefing meetings following the Codex committee sessions. In addition, the USCO makes much of the same information available through its web page at http://www.usda.gov/codex. If you would like to access or receive information about specific committees, please visit the web page or notify the appropriate U.S. delegate or the U.S. Codex Office, Room 4861, 1400 Independence Avenue SW, Washington, DC 20250-3700, Email: uscodex@ usda.gov.

The information provided in Attachment 1: Sanitary and Phytosanitary Activities of Codex describes the status of Codex standard-setting activities by the Codex committees for the time periods from June 1, 2024 to May 31, 2025 and June 1, 2025 to May 31, 2026. A list of forthcoming Codex sessions may be found at: https://www.fao.org/fao-whocodexalimentarius/meetings/en.

Additional Public Notification

Public awareness of all segments of rulemaking and policy development is important. Consequently, the USCO will announce this **Federal Register** publication on-line through the U.S. Codex web page located at: https://www.federalregister.gov/agencies/uscodex-office.

Done at Washington, DC, on May 20, 2025. **Julie Chao**,

Acting U.S. Manager for Codex Alimentarius. [FR Doc. 2025–09383 Filed 5–23–25; 8:45 am]

CIVIL RIGHTS COLD CASE RECORDS REVIEW BOARD

[Agency Docket Number: CRCCRRB-2025-0015-N]

Notice of Formal Determination on Records Release

AGENCY: Civil Rights Cold Case Records Review Board.

ACTION: Notice.

SUMMARY: The Civil Rights Cold Case Records Review Board received 418 pages of records from the National Archives and Records Administration (NARA), the Department of Justice, and the Federal Bureau of Investigation (FBI) related to three civil rights cold case incidents to which the Review Board assigned the unique identifiers 2024–003–003, 2024–003–055, and 2024–003–066. The agencies did not propose any postponements of disclosure in the

records related to incident 2024–003–066. NARA, the Department of Justice, and the FBI proposed 559 postponements in the records related to the other two incidents. The FBI later withdrew 44 of the postponements the Bureau proposed. On May 9, 2025 and May 16, 2025, the Review Board met and approved 161 postponements and portions of 33 additional

postponements, and determined that 354 pages in full and 64 pages in part should be publicly disclosed in the Civil Rights Cold Case Records Collection. By issuing this notice, the Review Board complies with the Civil Rights Cold Case Records Collection Act of 2018 that requires the Review Board to publish in the **Federal Register** its determinations on the disclosure or postponement of

records in the Collection no more than 14 days after the date of its decision.

FOR FURTHER INFORMATION CONTACT:

Stephannie Oriabure, Chief of Staff, Civil Rights Cold Case Records Review Board, 1800 F Street, NW, Washington, DC 20405, (771) 221–0014, info@ coldcaserecords.gov.
