Electronic Document Management System (eLibrary) Enhancements; Notice Announcing Release of Modernized eLibrary System

The Federal Energy Regulatory Commission (Commission), hereby gives notice announcing upcoming enhancements to its Electronic Document Management System (eLibrary), that will be available the week of August 31. These enhancements have been undergoing further refinement since the Commission issued its notice announcing the release of its modernized eLibrary system on July 31, 2020. The Commission plans to upgrade

its existing system with newer, more robust and user-friendly technology. Ultimately, the new system will provide users with an improved user interface, more reliable search capabilities and greater system stability.

This version includes, but is not limited to the following enhancements:

- A modern look and feel to the eLibrary site
- Improved navigation and consolidated search screens
- Removal of redundant features
- Improved search accuracy and relevance
- On-Demand PDF generation for files in an accession
- Multiple file zip and download from the search results
- Improved reliability

Please see <https://www.ferc.gov/> for additional details on FERC's modernized eLibrary system, including additional information on file formats, text searchable versus image formats, file names, security, et al.

Dated: August 28, 2020.

Nathaniel J. Davis, Sr.,

Deputy Secretary.

[Docket No. ER20–2746–000]

Riverstart Solar Park LLC; Supplemental Notice That Initial Market-Based Rate Filing Includes Request for Blanket Section 204 Authorization

This is a supplemental notice in the above-referenced Riverstart Solar Park LLC's application for market-based rate authority, with an accompanying rate tariff, noting that such application includes a request for blanket authorization, under 18 CFR part 34, of future issuances of securities and assumptions of liability.

Any person desiring to intervene or to protest should file with the Federal Energy Regulatory Commission, 888 First Street NE, Washington, DC 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). Anyone filing a motion to intervene or protest must serve a copy of that document on the Applicant.

Notice is hereby given that the deadline for filing protests with regard to the applicant's request for blanket authorization, under 18 CFR part 34, of

future issuances of securities and assumptions of liability, is September 17, 2020.

The Commission encourages electronic submission of protests and interventions in lieu of paper, using the FERC Online links at <http://www.ferc.gov>. To facilitate electronic service, persons with internet access who will eFile a document and/or be listed as a contact for an intervenor must create and validate an eRegistration account using the eRegistration link. Select the eFiling link to log on and submit the intervention or protests.

Persons unable to file electronically may mail similar pleadings to the Federal Energy Regulatory Commission, 888 First Street NE, Washington, DC 20426. Hand delivered submissions in docketed proceedings should be delivered to Health and Human Services, 12225 Wilkins Avenue, Rockville, Maryland 20852.

In addition to publishing the full text of this document in the **Federal Register**, the Commission provides all interested persons an opportunity to view and/or print the contents of this document via the internet through the Commission's Home Page (<http://www.ferc.gov>) using the "eLibrary" link. Enter the docket number excluding the last three digits in the docket number field to access the document. At this time, the Commission has suspended access to the Commission's Public Reference Room, due to the proclamation declaring a National Emergency concerning the Novel Coronavirus Disease (COVID–19), issued by the President on March 13, 2020. For assistance, contact the Federal Energy Regulatory Commission at FERCOnlineSupport@ferc.gov or call toll-free, (886) 208–3676 or TTY, (202) 502–8659.

Dated: August 28, 2020.
