

32545, July 8, 2009), a competitive, merit-based matching grant program funding projects that collect comprehensive and accurate State-level broadband mapping data, develop State-level broadband maps, aid in the development and maintenance of a national broadband map, and fund statewide initiatives directed at broadband planning, setting forth the requirements for this competitive grant program. The NOFA requires Awardees to submit regular reports to NTIA. Specifically, it states:

All awardees under this Program will provide quarterly reports on: (a) Achievement of project goals, objectives, and milestones (*e.g.*, collection of a “substantially complete data set”; completion of data review or quality control process) as set forth by the applicant in their application timeline; i. expenditure of grant funds and how much of the award remains; ii. amount of non-federal cash or in-kind investment that is being added to complete the project; and iii. whether the awardee is on schedule to provide broadband-related data in accordance with the mapping project timeline. *See* 74 FR 32556 (July, 8, 2009).

NTIA requires these quarterly performance reports in order to gauge the progress of Awardees in meeting their project goals. Without such formal reporting, NTIA will be unable to effectively monitor the expenditure of these Recovery Act funds. While Awardees are also required to submit Recovery Act reports, these reports do not include vital details that NTIA in order to provide proper oversight of activities.

II. Method of Collection

NTIA will request awardees to submit their reports via email. Awardees will provide the quarterly reports using word processing and spreadsheet software such as Microsoft Word and Excel.

III. Data

OMB Control Number: 0660–0034.

Form Number(s): Not applicable.

Type of Review: Regular submission (extension of a currently approved information collection).

Affected Public: Business or other for-profit organizations.

Estimated Number of Respondents: 56.

Estimated Time per Response: 4 hours.

Estimated Total Annual Burden Hours: 896.

Estimated Total Annual Cost to Public: 0.

IV. Request for Comments

Comments are invited on: (a) Whether the proposed collection of information

is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden (including hours and cost) of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval of this information collection; they also will become a matter of public record.

Dated: August 4, 2010.

Gwellnar Banks,

Management Analyst, Office of the Chief Information Officer.

First Antidumping Duty Administrative Review of Sodium Hexametaphosphate from the People's Republic of China: Extension of Time Limit for the Final Results

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: August 10, 2010.

FOR FURTHER INFORMATION CONTACT: Paul Walker, AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482–0413.

SUPPLEMENTARY INFORMATION:

Background

On April 15, 2010, the Department of Commerce (“Department”) published in the **Federal Register** the Preliminary Results of the first administrative review of sodium hexametaphosphate (“sodium hex”) from the People's Republic of China (“PRC”), covering the period September 14, 2007 February 28, 2009. *See First Administrative Review of Sodium Hexametaphosphate from the People's Republic of China: Notice of Preliminary Results of the Antidumping Duty Administrative Review*, 75 FR 19613 (April 15, 2010) (“Preliminary

Results”). The final results of this administrative review are currently due on August 13, 2010.

Extension of Time Limit for the Preliminary Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (“the Act”), requires the Department to issue the final results of an administrative review within 120 days after the date on which the *Preliminary Results* have been published. If it is not practicable to complete the review within the time period, section 751(a)(3)(A) of the Act allows the Department to extend this deadline to a maximum of 180 days.

The Department determines that completion of the final results of this review within the statutory time period is not practicable, given the extraordinarily complicated nature of the proceeding. The Department requires more time to analyze a significant amount of information pertaining to the respondent's corporate structure and ownership, sales practices and manufacturing methods. Therefore, given the number and complexity of issues in this case, and in accordance with section 751(a)(3)(A) of the Act, we are extending the time period for issuing the final results of review until October 5, 2010.

This notice is published pursuant to sections 751(1)(3)(A) and 777(i)(1) of the Act and 19 CFR § 351.213(h)(2).

Dated: July 30, 2010.

Edward Yang,

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.
