Title: Information Collection Request; Representations Regarding Felony Conviction and Tax Delinquent Status for Corporate Applicants.

OMB Control Number: 0505–0025.

Summary of Collection: The Department of Agriculture (USDA) must comply with the restrictions set forth in Division E, Title VII §§ 744,745 of the Consolidated Appropriations Act, 2022, (Pub. L. 117–103, as amended and/or subsequently enacted), hereinafter Public Law 117–103. The restrictions apply to transactions with corporations that (1) have any "unpaid Federal tax liability that has been assessed, for which all judicial and administrative remedies have been exhausted or have lapsed, and that is not being paid in a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability, where the awarding agency is aware of the unpaid tax liability and/or (2) were "convicted of a felony criminal violation under any Federal law within the preceding 24 months, where the awarding agency is aware of the conviction. The restrictions may not apply if a Federal agency considers suspension or debarment of the corporation and determines that such action is not necessary to protect the interests of the Government.

Need and Use of the Information: To comply with the appropriations restrictions, the information collection requires corporate applicants for USDA programs to represent accurately whether they have or do not have qualifying tax delinquencies or felony convictions which would prevent USDA from entering into a proposed business transaction with the corporate applicant. For nonprocurement programs and transactions, these representations will be submitted using the AD–3030—"Representations Regarding Felony Conviction or Tax Delinquent Status for Corporate Applicants" This form will normally be included as part of the application package.

This information assists the agencies and staff offices with identifying corporations with unpaid Federal tax liability and felony convictions status prior to entering into nonprocurement transactions for numerous Departmental programs. Failure to collect this

information may cause inappropriate use of funds and violation of the Anti-Deficiency Act.

Description of Respondents: Corporate applicants for USDA nonprocurement programs, including grants, cooperative agreements, loans, loan guarantees, some memoranda of understanding/agreement, and nonprocurement contracts.

Number of Respondents: 75,580.

Frequency of Responses: Reporting: Other: Corporations—each time they apply to participate in a multitude of USDA nonprocurement programs.

Total Burden Hours: 37,790.
