

(OASD(HA)/TMA) will undertake an evaluation of the DoD's TRICARE Standard healthcare option. HPA&E will collect and analyze data that are necessary to meet the requirements outlined in section 702 of the Senate version of the National Defense Authorization Act (NDAA) for FY2008.

Activities include the collection and analyses of data obtained confidentially from civilian physicians (M.D.s & D.O.s) and at least psychologists within U.S. geographic areas. Specifically, mail surveys with telephone follow-up of civilian providers will be conducted in the TRICARE market areas to determine how many healthcare providers are accepting new patients under TRICARE Standard in each market area. The surveys will be conducted in at least 40 TRICARE geographic areas in the United States each fiscal year through and including fiscal year 2011. Representatives of TRICARE beneficiaries and selected provider groups will be consulted to identify potential locations.

In addition, section 702 of the FY 2008 National Defense Authorization Act (NDAA) requires the Department to conduct annual surveys of beneficiary access experience and the availability to access civilian providers under TRICARE Standard and Extra program through FY 2011. These issues address the interests of Congress in reconciliation of responses of providers and beneficiaries who use TRICARE.

Surveys of civilian healthcare providers (M.D.s and D.O.s) and beneficiaries eligible for TRICARE Standard/Extra care will be conducted in at least 40 TRICARE Prime service areas each year. The objective of this effort is to determine if TRICARE beneficiaries have difficulty in finding health care providers willing to provide services under Standard or Extra, and the extent to which providers in the area participate in Standard/Extra.

Needs and Uses: The Department of Defense Education Activity (DoDEA) Customer Satisfaction Survey for Sponsors and Students is a tool used to measure the satisfaction level of sponsors and students with the

programs and services provided by DoDEA. This collection is necessary to meet the Government Performance and Results Act of 1993, Public Law 103-62; 107 Stat. 285, that requires agencies to have strategic plans and to consult with affected persons. A major purpose of the regulation is to improve Federal program effectiveness and public accountability by promoting a new focus on results, service quality, and customer satisfaction.

Affected Public: Individuals or households.

Annual Burden Hours: 2,167.

Number of Respondents: 6,500.

Responses per Respondent: 1.

Average Burden per Response: 20 minutes.

Frequency: Biennially.

SUPPLEMENTARY INFORMATION:

Summary of Information Collection

The Department of Defense Education Activity (DoDEA) Customer Satisfaction Survey for Sponsors and Students will be administered to DoDEA students in grades 4-12, and to all parents and/or sponsors of DoDEA students. Participating in the survey is completely voluntary and will be administered through an online, Web-based technology. In order to have comparison between DoDEA parents and parents of students in U.S. public schools, some survey questions from the Phi Delta Kappa/Gallup Poll of the Public's Attitudes Toward Schools will be used. Additional survey questions were developed to address specific issues and needs within DoDEA. The surveys will give parents/sponsors and students an opportunity to comment on their overall levels of satisfaction with DoDEA schools, as well as on specific programmatic issues related to Department of Defense schools, including curriculum, communication, and technology. The surveys will be administered biennially.

The information derived from these surveys will be used to improve planning efforts at all levels throughout DoDEA. Schools, districts, and areas will use the survey results to gain insight into the satisfaction levels of sponsors and students, which is one of many measures used for future planning of programs and services offered to DoDEA's students. The survey results will also be used as an outcome measure to monitor progress on the goals of the DoDEA Community Strategic Plan.
