

SUMMARY: In accordance with the National Environmental Policy Act of 1969, as amended, 42 U.S.C. 4321–4347, and 40 CFR Part 1500, the Bureau of Land Management (BLM) announces that the Final EIS/EIR for the Imperial Irrigation District's (IID) Desert Southwest Transmission Line Project is available for a thirty (30) day public review and comment period.

DATES: The public is provided 30 days for review and comment after the date that the Environmental Protection Agency (EPA) publishes its Notice of Availability for this document in the **Federal Register**.

ADDRESSES: If you wish to comment, you may submit your comments by any of several methods. You may mail comments to: Gail Acheson, Field Manager, Bureau of Land Management, Palm Springs—South Coast Field Office, 690 W. Garnet Ave., P.O. Box 581260, North Palm Springs, CA 92258.

You may also comment via the Internet to: dgomez@ca.blm.gov. Please include in the subject line: "Final EIS/EIR, Desert Southwest Transmission Line Project" and your name and return address in your Internet message. If you do not receive a confirmation that we have received your Internet message, contact Diane Gomez at (760) 251–4852. You may also hand-deliver comments to: Palm Springs—South Coast Field Office, 690 W. Garnet Avenue, North Palm Springs, CA 92258. Our practice is to make comments, including names and home addresses of respondents, available for public review during regular business hours. Individual respondents may request that we withhold their home address from the record, which we will honor to the extent allowable by law. There also may be circumstances in which we would withhold from the record a respondent's identity, as allowable by law. If you wish us to withhold your name and/or address, you must state this prominently at the beginning of your comment. However, we will not consider anonymous comments. We will make all submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials of organizations or businesses, available for public inspection in their entirety.

FOR FURTHER INFORMATION CONTACT: Diane Gomez at (760) 251–4852 or e-mail: dgomez@ca.blm.gov.

SUPPLEMENTARY INFORMATION: This Final EIS/EIR assesses the environmental effects of constructing, operating and maintaining a 500 kilovolt (kV) electrical transmission line from an area near Blythe, California, to the Southern

California Edison Company's Devers Substation, located several miles north of Palm Springs, California. Four alternatives and several minor variations to these alternatives are also considered. A Record of Decision for the proposed project will be prepared following the review of the final EIS. A copy of the Final EIS/EIR is available for review and comment via the Internet at <http://www.ca.blm.gov/palmsprings>. Electronic (on CD-ROM) and paper copies may also be obtained by contacting Diane Gomez at the aforementioned addresses and phone number.

Dated: September 26, 2005.

Elena Misquez,

Acting Field Manager.

Agency Information Collection Activities: Proposed Collection; Comments Requested

ACTION: 30-day notice of information collection under review: State Court Processing Statistics, 2006.

The Department of Justice (DOJ), Office of Justice Programs (OJP) has submitted the following information collection request to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995. The proposed information collection is published to obtain comments from the public and affected agencies. This proposed information collection was previously published in the **Federal Register** Volume 70, Number 191, page 57896 on October 4, 2005, allowing for a 60-day comment period.

The purpose of this notice is to allow for an additional 30 days for public comment until January 23, 2006. This process is conducted in accordance with 5 CFR 1320.10.

Written comments and/or suggestions regarding the items contained in this notice, especially the estimated public burden and associated response time, should be directed to the Office of Management and Budget, Office of Information and Regulatory Affairs, Attention Department of Justice Desk Officer, Washington, DC 20503. Additionally, comments may be submitted to OMB via facsimile to (202) 395–5806. Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agencies estimate of the burden of the proposed collection of information,

- including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Overview of This Information Collection

(1) *Type of information collection:* New information collection.

(2) *The title of the form/collection:* State Court Processing Statistics, 2006.

(3) *The agency form number, if any, and the applicable component of the Department sponsoring the collection:* Form Number: SCPS-06. Bureau of Justice Statistics, Office of Justice Programs.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract:* Primary: State, Local, or Tribal Government. Other: Not-for-profit institutions. State Trial Courts and Pretrial Agencies. Abstract: The SCPS project is a recurring data collection involving the examination of felony cases processed in 40 large urban counties chosen to be representative of the 75 largest counties in the U.S. Approximately 15,000 felony cases are tracked for up to 1 year with data collected on the pretrial, adjudication, and sentencing phases of the criminal court process.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* It is estimated that information will be collected on a total of 15,000 felony cases from 40 responding counties. Public reporting burden for this collection of information is estimated to average one hour for each data collection form coded manually and half an hour for each data collection form completed through automated downloads.

SUPPLEMENTARY INFORMATION:

I. Abstract

The Federal Automotive Statistical Tool (FAST) Reporting of Government-Owned Contractor-Operated Vehicles is an information collection required by Executive Order 13149, "Greening the Government through Federal Fleet and Transportation Efficiency," section 505. This order requires Federal agencies to ensure that all Government-owned contractor-operated vehicles comply with all applicable goals and other requirements of this order and that these goals and requirements are incorporated into each contractor's management contract. This order requires the Department of Energy (DOE) to issue guidance to agencies and to establish

the data collection and reporting system for collecting annual agency performance data on meeting the goals of the order and other applicable statutes and policies, as stated in section 301(b).

In July 2000, the DOE prepared the Guidance Document for Federal agencies, as required by Executive Order 13149. Section 2-3 requires agencies to report using DOE's Federal Automotive Statistical Tool (FAST). FAST is accessed through <http://fastweb.inel.gov/>.

II. Method of Collection

NASA collects this information electronically through <http://fastweb.inel.gov/>.

III. Data

Title: Federal Automotive Statistical Tool (FAST) Reporting of Government-Owned Contractor-Operated Vehicles.

OMB Number: 2700-0106.

Type of Review: Extension of a currently approved collection.

Affected Public: Federal Government and Business or other for-profit.

Estimated Number of Respondents: 93.

Estimated Time Per Response: 15 min/vehicle.

Estimated Total Annual Burden Hours: 425.

Estimated Total Annual Cost: \$0.

IV. Requests for Comments

Comments are invited on: (1) Whether the proposed collection of information is necessary for the proper performance of the functions of NASA, including whether the information collected has practical utility; (2) the accuracy of NASA's estimate of the burden (including hours and cost) of the proposed collection of information; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) ways to minimize the burden of the collection of information on respondents, including automated collection techniques or the use of other forms of information technology.

Patricia L. Dunnington,

Chief Information Officer.
