PARTICIPATING AGENCIES:

SSA and VA VBA.

AUTHORITY FOR CONDUCTING THE MATCHING PROGRAM:

This Agreement is executed under the Privacy Act of 1974, 5 U.S.C. 552a, as amended by the Computer Matching and Privacy Protection Act (CMPPA) of

1988, Public Law (Pub. L.) 100–503, 102 Stat. 2507 (1988), as amended, and the Computer Matching and Privacy Protection Amendments of 1990, and the regulations and guidance promulgated thereunder.

The CMPPA applies when computerized comparisons of Privacy Act-protected records contained within a Federal agency's databases and the records of another organization are made in order to determine an individual's eligibility to receive a Federal benefit. The CMPPA requires the parties participating in a matching program to execute a written agreement specifying the terms and conditions under which the matching program will be conducted.

Legal authorities for the disclosures under this Agreement are covered by two sections of the Social Security Act (Act):

- Section 1144(a)(1) and (b)(1) of the Act [42 U.S.C. 1320b–14(a)(1) and (b)(1)] concerns the SSA's outreach efforts to increase awareness of the availability of Medicare cost-sharing and subsidies for low-income individuals under Title XVIII of the Act (Medicare).

- Section 1860D 14(a)(3) of the Act [42 U.S.C. 1395w 114(a)(3)] concerns the Medicare coverage gap discount program that makes manufacturer discounts available to eligible Medicare beneficiaries receiving applicable, covered Part D drugs, while in the coverage gap.

PURPOSE(S):

This matching program establishes the conditions under which the VA VBA will provide SSA with VA compensation and pension payment data. This disclosure will provide SSA with information necessary to verify an individual's self-certification of eligibility for the Medicare Prescription Drug (Medicare Part D) subsidy (Extra Help). It will also enable SSA to identify individuals who may qualify for Extra Help as part of the agency's Medicare outreach efforts.

CATEGORIES OF INDIVIDUALS:

The individuals whose information is involved in this matching program are those who are recorded in VA compensation and pension payment records and are matched with data in SSA's Medicare Database system of records. Such individuals have self-certified eligibility to SSA for the Medicare Part D Extra Help. In addition, SSA will use the information to identify individuals who may qualify for Extra Help as part of the agency's Medicare outreach efforts.

CATEGORIES OF RECORDS:

VA's data file comes from compensation and pension payment data records. SSA matches VA data against Medicare Database (MDB) data.

SSA will conduct the match using the Social Security number, name, date of birth, and VA claim number on both the VA file and the MDB.

SYSTEM(S) OF RECORDS:

VA will provide compensation and pension payment data from its System of Records (SOR) entitled "Compensation, Pension, Education, and Vocational Rehabilitation and Employment Records–VA" (58VA21/22/28), last fully published at 74 FR 14865 (April 1, 2009) and last amended at 86 FR 61858 (November 8, 2021).

SSA will match the VA data with SSA SOR "Medicare Database File," 60–0321, last fully published at 71 FR 42159 (July 25, 2006) and amended at 72 FR 69723 (December 10, 2007) and 83 FR 54969 (November 1, 2018).

Certificate of Coverage Request—20 CFR 404.1913—0960—0554. The United States (U.S.) has agreements with 30 foreign countries to eliminate double Social Security coverage and taxation where, except for the provisions of the agreement, a worker would be subject to coverage and taxes in both countries. These agreements contain rules for determining the country under whose laws the worker's period of employment is covered, and to which country the worker will pay taxes. The agreements further dictate that, upon the request of the worker or employer, the country under whose system the period of work is covered will issue a certificate of

coverage. The certificate serves as proof of exemption from coverage and taxation under the system of the other country. The information we collect assists us in determining a worker's coverage and in issuing a U.S. certificate of coverage as appropriate. Per our agreements, we ask a set number of questions to the workers and employers prior to issuing a certificate of coverage; however, our agreements with Denmark, Netherlands, Norway, and Sweden require us to ask more questions in those countries. Respondents are workers and employers wishing to establish exemption from foreign Social Security taxes.

Type of Request: Revision of an OMB-approved information collection.
