

proposed rule changes to adopt identical rules to permit the listing and trading of options on Commodity-Based Trust Shares without submitting a separate proposed rule change.³⁷ Furthermore, the Exchange notes that listing and trading options on a Commodity-Based Trust Share on the Exchange will subject such options to transparent exchange-based rules as well as price discovery and liquidity, as opposed to alternatively trading such options in the OTC market. The Exchange believes that the proposed rule change may relieve any burden on, or otherwise promote, competition as it is designed to increase competition for order flow on the Exchange in a manner that is beneficial to investors by providing them with a lower-cost option to hedge their investment portfolios in a timely manner.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange neither solicited nor received written comments on the proposed rule change.
