SUPPLEMENTARY INFORMATION: In compliance with 44 U.S.C. 3507, ACL has submitted the following proposed

collection of information to OMB for review and clearance. The Administration for Community Living (ACL) is requesting approval for a revised data collection associated with the Evaluation of the Administration for Community Living's (ACL) American Indian, Alaska Natives, and Native Hawaiian Programs (Older Americans Act [OAA] Title VI; short title: Evaluation of the Title VI Programs). OAA Title VI establishes grants to Native Americans for nutrition services, supportive services, and family caregiver support services. The purpose of Title VI is "to promote the delivery of supportive services, including nutrition services, to American Indians, Alaskan Natives, and Native Hawaiians that are comparable to services provided under Title III" (42 U.S.C. 3057), which provides nutrition, caregiver and supportive services to the broader U.S. population. Title VI is comprised of three parts; Part A provides nutrition and supportive services to American Indians and Alaska Natives, Part B provides nutrition and supportive services to Native Hawaiians, and Part C provides caregiver services to any programs that have Part A/B.

The evaluation will consist of removing one and adding a new data collection activity. ACL is requesting to revise the currently approved data collection under OMB 0985-0059 by removing the caregiver survey and adding a follow-up tribal program staff interview. The proposed revisions also include removing annual performance reporting data elements from the currently approved IC under OMB 0985-0059 to the OMB approved Title VI Annual Performance Report under OMB 0985-0007.
