Importers who favor the conduct of a continuance referendum can download a form from the Web site, or request a sign-up form by contacting CottonRP@ams.usda.gov or (540) 361-2726 and one will be provided to them. Importers may participate in the sign-up period by submitting a signed, written request for a continuance referendum, along with a copy of a U.S. Customs and Border Protection form 7501 showing payment of a cotton assessment for calendar year 2014. The USDA, AMS, Cotton and Tobacco Program, Attention: Cotton Sign-Up, P.O. Box 23181, Washington, DC 20077-8249 shall be considered the polling place for all cotton importers. All requests and supporting documents must be received by August 14, 2015.

(c) Each person on the county FSA office lists may participate in the sign-up period. Eligible producers must date and sign their name on the "County FSA Office Sign-up Sheet." A person whose name does not appear on the county FSA office list may participate in the sign-up period. Such person must be identified on FSA-578 during the representative period or provide documentation that demonstrates that the person was a cotton producer during the representative period. Cotton producers not listed on the FSA-578 shall submit at least one sales receipt for cotton they planted during the representative period. Cotton producers must make requests to the county FSA office where the producer's farm is located. If the producer's land is in more than one county, the producer shall make request at the county office where FSA administratively maintains and processes the producer's farm records. It is the responsibility of the person to provide the information needed by the county FSA office to determine eligibility. It is not the responsibility of the county FSA office to obtain this information. If any person whose name does not appear on the county FSA office list fails to provide at least one sales receipt for the cotton they produced during the representative period, the county FSA office shall determine that such person is ineligible to participate in the sign-up period, and

shall note "ineligible" in the remarks section next to the person's name on the county FSA office sign-up sheet. In lieu of personally appearing at a county FSA office, eligible producers may request a sign-up form from the county FSA office where the producer's farm is located. If the producer's land is in more than one county, the producer shall make the request for the sign-up form at the county office where FSA administratively maintains and processes the producer's farm records. Such request must be accompanied by a copy of at least one sales receipt for cotton they produced during the representative period. The appropriate FSA office must receive all completed forms and supporting documentation by August 14, 2015.

1. In this Final Rule, the Federal Energy Regulatory Commission (Commission) is amending Rule 508 of the Commission's Rules of Practice and Procedure¹ to eliminate the requirement that participants in Commission trial-type evidentiary hearings must provide paper copies of all exhibits introduced as evidence. The Commission is amending section 385.508 of the Commission's regulations by removing paragraph (a)(2) and redesignating paragraph (a)(3) as paragraph (a)(2). While still retaining the option to provide exhibits in paper form, the Final Rule will facilitate a shift toward electronic hearing procedures which should improve the efficiency and administrative convenience of the Commission hearing process, reduce the burden and expense associated with paper exhibits, and facilitate the compilation and transmittal of the hearing record to the Commission in electronic format.

I. Background

2. The Federal government has set a goal to substitute electronic means of communication and information storage for paper. For example, the Government Paperwork Elimination Act directed agencies to provide for the optional use and acceptance of electronic documents and signatures, and electronic record-keeping, where practical.² Similarly, the Office of Management and Budget (OMB) Circular A-130 required agencies to use electronic information collection techniques, where such means will reduce the burden on the public, increase efficiency, reduce costs, and help provide better service.

3. On September 21, 2000, the Commission issued Order No. 619, which implemented the use of the Internet for submission of certain documents to the Commission for filing.³ The eFiling system plays an important role in the Commission's efforts to comply with the Government Paperwork Elimination Act's requirement that agencies provide the option to submit information electronically, when practicable, as a substitute for paper.⁴ Filing via the Internet is optional for eligible documents.⁵ Since issuing Order No. 619, the Commission has greatly expanded its ability to accept electronically filed material, including interventions, protests, rehearings,

complaints, and applications for certificates and licenses.⁶ In 2008, the Commission further implemented a system for electronic tariff filing.⁷ Consistent with these prior efforts to provide electronic filing options, on March 19, 2015, the Commission issued a Notice of Proposed Rulemaking proposing to eliminate the requirement that all exhibits introduced at Commission hearings must be provided in paper form. In response to the NOPR, the Commission received comments from the New York Transmission Owners,⁸ stating that they support the Commission's proposed elimination of the requirement to provide paper copies of exhibits introduced during evidentiary hearings, and that they agree with the Commission that this would improve the efficiency and administrative convenience of the Commission hearing process as well as reduce the substantial burden and expense associated with providing paper copies of exhibits.

II. Discussion

4. Section 385.508 of the Commission's regulations currently requires that "[a]ny participant who seeks to have an exhibit admitted into evidence must provide one copy of the exhibit to the presiding officer and two copies to the reporter, not later than the time that the exhibit is marked for identification."⁹ Under current practice, the court reporter assigns Exhibit Numbers to the paper copies and provides the paper copies to the Commission's Docket Branch to be scanned into the Commission's eLibrary system. Copies of all exhibits and motions that are not pre-filed must also be provided to all participants at the hearing.¹⁰

⁶ See *Electronic Registration*, Order No. 891, 67 FR 52,406 (Aug. 12, 2002), FERC Stats. & Regs. ¶ 31,132 (2002); *Electronic Filing of FERC Form 1, and Elimination of Certain Designated Schedules in Form Nos. 1 and 1F*, Order No. 626, 67 FR 36,093 (May 23, 2002), FERC Stats. & Regs. ¶ 31,130 (2002); *Electronic Service of Documents*, 66 FR 50,591 (Oct. 4, 2001), FERC Stats. & Regs. ¶ 35,539 (2001); *Revised Public Utility Filing Requirements*, Order No. 2001, 67 FR 31,043 (May 8, 2002), FERC Stats. & Regs. ¶ 31,127 (2002); *Filing Via the Internet*, Order No. 703, 72 FR 65,659 (Nov. 23, 2007), FERC Stats. & Regs. ¶ 31,259 (2007).

⁷ *Electronic Tariff Filings*, Order No. 714, FERC Stats. & Regs. ¶ 31,276 (2008).

⁸ The New York Transmission Owners consist of Central Hudson Gas & Electric Corporation, Consolidated Edison Company of New York, Inc., New York Power Authority, New York State Electric & Gas Corporation, Niagara Mohawk Power Corporation d/b/a National Grid, Orange and Rockland Utilities, Inc., Power Supply Long Island, and Rochester Gas and Electric Corporation.

5. The administrative law judges recently adopted a revised practice for handling exhibits and creating the Exhibit List that removes the need for providing paper copies at the hearing. Under this policy, within seven days of the end of the hearing, participants must file (via eFiling) a "Joint Exhibit List" and each sponsoring party must file (via eFiling) the "Official Copies" of each exhibit that was offered into evidence and admitted or rejected.¹¹ Thus, it is no longer necessary or efficient to require all participants to provide the presiding judge and court reporter with paper copies of each exhibit introduced at the hearing.

6. In this Final Rule, the Commission is therefore eliminating the requirement that participants provide one paper copy of each exhibit to the presiding officer and two paper copies to the court reporter.¹² This Final Rule represents a continuation of the Commission's efforts to implement the goal of substituting electronic means of communication and information storage for paper means. The Final Rule should save resources because participants will no longer be required to make multiple paper copies of all exhibits that they intend to submit into evidence. The Final Rule also will facilitate the presiding judge's compilation and transmittal of the hearing record to the Commission in electronic format.

III. Information Collection Statement

7. Certain collections of information are subject to review by the Office of Management and Budget (OMB) under section 3507(d) of the Paperwork Reduction Act of 1995 (PRA).¹³ OMB's regulations require OMB to approve certain information collection requirements imposed by agency rule.¹⁴ This Final Rule does not contain any information collection requirements, as defined under section 3502(3) of the

All electronically-filed exhibits must comply with eFiling file format requirements. See *Filing Via the Internet*, Order No. 703, FERC Stats. & Regs. ¶ 31,259 at P 33.

For exhibits that have not previously been provided to the participants, such exhibits must still be provided to the participants at the hearing. See 18 CFR 385.510(d).

¹² Most participants file pre-filed testimony and exhibits electronically via the eFiling system before the hearing. The presiding judge in each case will continue to determine how participants exchange exhibits brought to the hearing. See 18 CFR 385.504(b)(1), (4).

PRA, and compliance with the OMB regulations is thus not required.

IV. Environmental Analysis

8. The Commission is required to prepare an Environmental Assessment or an Environmental Impact Statement for any action that may have a significant adverse effect on the human environment.¹⁵ This action has been categorically excluded under section 380.4(a)(2)(ii), addressing procedural rules.¹⁶

V. Regulatory Flexibility Act

9. The Regulatory Flexibility Act of 1980 (RFA)¹⁷ generally requires a description and analysis of rules that will have a significant economic impact on a substantial number of small entities. This Final Rule concerns procedural matters and is expected to reduce the burden and expense associated with paper exhibits and improve the efficiency and administrative convenience of the Commission hearing process.

10. Accordingly, the Commission certifies that this Final Rule will not have a significant economic impact on a substantial number of small entities. An analysis under the RFA is not required.
