Postponement

On January 17, 2001, the Department initiated the countervailing duty investigation of stainless steel bar from Italy. *See Notice of Initiation of Countervailing Duty Investigation: Stainless Steel Bar from Italy*, 66 FR 7739 (January 25, 2001). Currently, the preliminary determination must be issued by March 23, 2001.

On February 23, 2001, the petitioners made a timely request pursuant to section 703(c)(1)(A) of the Act and 19 CFR 351.205(e) of the Department's regulations for a postponement of the preliminary determination. The petitioners requested a postponement until May 29, 2001 in order to allow time for the petitioners to submit comments regarding the respondents' questionnaire responses and to allow time for the Department to analyze these responses.

The petitioners' request for the postponement was timely, and the Department finds no compelling reason to deny the request. Therefore, pursuant to 703(c) of the Act and 19 CFR 351.205(b)(2), the Department is postponing the preliminary determination until no later than May 29, 2001.

We are issuing and publishing this notice in accordance with sections 703(c)(2) and 777(i)(1) of the Act.
