analysis under section 202(a) of the Unfunded Mandates Reform Act of 1995 is not required.

#### VI. Federalism

FDA has analyzed this final rule in accordance with the principles set forth in Executive Order 13132. FDA has determined that the rule does not contain policies that have substantial direct effects on the States, or on the relationship between the National Government and the States, or on the distribution of power and responsibilities among the various levels of government. Accordingly, the agency has concluded that the rule does not contain policies that have federalism implications as defined in the Executive order and, consequently, a federalism summary impact statement is not required.

#### VII. Paperwork Reduction Act of 1995

The premarket notification information collections addressed in the guidance have been approved by the Office of Management and Budget (OMB) under the Paperwork Reduction Act of 1995 (PRA) under OMB control number 0910–0120. The labeling provisions addressed in the guidance have been approved by OMB under the PRA under OMB control number 0910–0485.

# Prospecting for Minerals Other Than Oil, Gas, and Sulphur on the Outer Continental Shelf

**AGENCY:** Minerals Management Service (MMS), Interior.

**ACTION:** Final rule.

SUMMARY: This rule specifies how to conduct Geological and Geophysical (G&G) prospecting and research for minerals other than oil, gas, and sulphur on the Outer Continental Shelf (OCS) under a permit; requires everyone conducting G&G scientific research on the OCS without a permit to file a notice with us; informs small operators of environmental laws and regulations for safe and sound practices; and rewrites the rule in plain English. These revisions respond to changes in technology and practice.
