

the requirements of the Act and the rules and regulations thereunder applicable to a national securities exchange.<sup>11</sup> In particular, the Commission finds that the proposed rule change is consistent with section 6(b)(5) of the Act,<sup>12</sup> which requires that the rules of an exchange be designed to promote just and equitable principles of trade, to remove impediments and to perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. The Commission also believes that the proposal is consistent with sections 6(b)(1) and 6(b)(6) of the Act<sup>13</sup> which require that the rules of an exchange enforce compliance with, and provide appropriate discipline for, violations of Commission and Exchange rules. Finally, the Commission finds that the proposal is consistent with the public interest, the protection of investors, or otherwise in furtherance of the purposes of the Act, as required by Rule 19d–1(c)(2) under the Act,<sup>14</sup> which governs minor rule violation plans.

As stated above, the Exchange proposes to add Article 6, Rule 13 (Registration Requirements), to the list of minor rule violations in Rule 10.9217, including in the fine schedule. The Commission believes that Rules 10.9216(b) and 10.9217 are an effective way to discipline a member for a minor violation of a rule. More specifically, the Commission believes that the proposed addition of Article 6, Rule 13 to the Exchange's list of current minor rule violations provides a reasonable means of addressing violations that do not rise to the level of requiring formal disciplinary proceedings, while providing greater flexibility in handling certain violations. The Commission also believes that amending the associated fine schedule is consistent with the Act because it may help the Exchange's ability to better carry out its oversight and enforcement responsibilities by levying appropriate fines for minor violations of the rules included in Rule 10.9217, including minor violations of Article 6, Rule 13.

In approving the proposed rule change, the Commission in no way minimizes the importance of compliance with the Exchange's rules and all other rules subject to fines under Rules 10.9216(b) and 10.9217. The Commission believes that a violation of

any self-regulatory organization's rules, as well as Commission rules, is a serious matter. However, Rules 10.9216(b) and 10.9217 provide a reasonable means of addressing rule violations that may not rise to the level of requiring formal disciplinary proceedings, while providing greater flexibility in handling certain violations. The Commission expects that the Exchange will continue to conduct surveillance with due diligence and make a determination based on its findings, on a case-by-case basis, whether a fine of more or less than the recommended amount is appropriate for a violation under Rules 10.9216(b) and 10.9217 or whether a violation requires formal disciplinary action.

For the same reasons as discussed above, the Commission finds good cause, pursuant to section 19(b)(2) of the Act,<sup>15</sup> for approving the proposed rule change prior to the thirtieth day after the date of publication of the notice of the filing thereof in the **Federal Register**. The proposal will assist the Exchange in preventing fraudulent and manipulative practices by allowing the Exchange to adequately enforce compliance with, and provide appropriate discipline for, violations of Exchange rules. Moreover, the proposed changes raise no new or novel issues. Accordingly, the Commission believes that a full notice-and-comment period is not necessary before approving the proposal.

## V. Conclusion

*It is therefore ordered*, pursuant to section 19(b)(2) of the Act<sup>16</sup> and Rule 19d–1(c)(2) thereunder,<sup>17</sup> that the proposed rule change (SR–NYSECHX–2023–04) be, and hereby is, approved on an accelerated basis.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.<sup>18</sup>
