SECURITIES AND EXCHANGE COMMISSION

Submission for OMB Review; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of Filings and Information Services, Washington, DC 20549-0004.

Extension:

Rule 32a-4; SEC File No. 270-473; OMB Control No. 3235-0530.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget requests for extension of the previously approved collections of information discussed below.

Section 32(a)(2) of the Investment Company Act requires that shareholders of a registered investment management or face-amount certificate company ("fund") ratify or reject the selection of a fund's independent public accountant. Rule 32a-4 exempts a fund from this requirement if (i) the fund's board of directors establishes an audit committee composed solely of independent directors with responsibility for overseeing the fund's accounting and auditing processes,¹ (ii) the fund's board of directors adopts an audit committee charter setting forth the committee's structure, duties, powers and methods of operation, or sets out similar provisions in the fund's charter or bylaws,² and (iii) the fund maintains a copy of such an audit committee charter permanently in an easily accessible place.³

Each fund that chooses to rely on rule 32a-4 incurs two collection of information burdens. The first, related to the board of directors' adoption of the audit committee charter, occurs once, when the committee is established. The second, related to the fund's maintenance and preservation of a copy of the charter in an easily accessible place, is an ongoing annual burden. The information collection requirement in rule 32a-4 enables the Commission to monitor the duties and responsibilities of an independent audit committee formed by a fund relying on the rule.

Commission staff estimates that, on average, the board of directors takes 15 minutes to adopt the audit committee charter. Commission staff has estimated that with an average of 8 directors on the board,⁴ total director time to adopt the charter is 2 hours. Combined with an estimated 1 hour of paralegal time to prepare the charter for board review, the staff estimates a total one-time collection of information burden of 3 hours for each fund. Once a board adopts an audit committee charter, a fund generally maintains it in a file cabinet or as a computer file. Commission staff has estimated that
