**Approval and Promulgation of State Air Quality Plans for Designated Facilities and Pollutants; State of Delaware, District of Columbia, and Commonwealth of Pennsylvania, City of Philadelphia; Control of Emissions From Existing Commercial and Industrial Solid Waste Incinerator Units**

**AGENCY:** Environmental Protection Agency (EPA).

**ACTION:** Proposed rule.

**SUMMARY:** The Environmental Protection Agency (EPA) is proposing to notify the public that it has received negative declarations for commercial and industrial solid waste incineration (CISWI) units within the State of Delaware, the District of Columbia, and the City of Philadelphia in the Commonwealth of Pennsylvania. These negative declarations certify that CISWI units subject to the requirements of sections 111(d) and 129 of the Clean Air Act (CAA) do not exist within the jurisdictional boundaries of the State of Delaware, the District of Columbia, and the City of Philadelphia in the Commonwealth of Pennsylvania. EPA is accepting the negative declarations in accordance with the requirements of the CAA. In the Final Rules section of this **Federal Register**, EPA is accepting the negative declarations as a direct final rule without prior proposal because the Agency views this as a noncontroversial submittal and anticipates no adverse comments. If no adverse comments are received in response to this action, no

further activity is contemplated. If EPA receives adverse comments, the direct final rule will be withdrawn and all public comments received will be addressed in a subsequent final rule based on this proposed rule. EPA will not institute a second comment period. Any parties interested in commenting on this action should do so at this time.

**DATES:** Comments must be received in writing by May 31, 2017.

**ADDRESSES:** Submit your comments, identified by Docket ID No. EPA-R03-OAR-2016-0081 at <https://www.regulations.gov>, or via email to [miller.linda@epa.gov](mailto:miller.linda@epa.gov). For comments submitted at [Regulations.gov](https://www.regulations.gov), follow the online instructions for submitting comments. Once submitted, comments cannot be edited or removed from [Regulations.gov](https://www.regulations.gov). For either manner of submission, the EPA may publish any comment received to its public docket. Do not submit electronically any information you consider to be confidential business information (CBI) or other information whose disclosure is restricted by statute. Multimedia submissions (audio, video, etc.) must be accompanied by a written comment. The written comment is considered the official comment and should include discussion of all points you wish to make. EPA will generally not consider comments or comment contents located outside of the primary submission (*i.e.* on the web, cloud, or other file sharing system). For additional submission methods, please contact the person identified in the **FOR FURTHER INFORMATION CONTACT** section.
