DEPARTMENT OF LABOR

Agency Information Collection Activities; Submission for OMB Review; Comment Request; Securities Lending by Employee Benefit Plans, Prohibited Transaction Exemption 2006–16

ACTION: Notice of availability; request for comments.

SUMMARY: The Department of Labor (DOL) is submitting this Employee Benefits Security Administration

(EBSA)-sponsored information collection request (ICR) to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995 (PRA). Public comments on the ICR are invited.

DATES: The OMB will consider all written comments that the agency receives on or before June 30, 2025.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function.

FOR FURTHER INFORMATION CONTACT: Michael Howell by telephone at 202–693–6782, or by email at DOL_PRA_PUBLIC@dol.gov.

SUPPLEMENTARY INFORMATION: In 2006, the Department promulgated a final class exemption, PTE 2006–16, which amended and replaced the exemptions previously provided under PTE 81–6 and PTE 82–63. The final exemption incorporates the exemptions into one renumbered exemption and expands the categories of exempted transactions to include securities lending to foreign banks and foreign broker-dealers that are domiciled in specified countries and to allow the use of additional forms of collateral, all subject to specified conditions outlined in the exemption.

Among other conditions, the class exemption requires a bank or broker-dealer that borrows securities from a plan to provide the lending fiduciary with its most recent audited financial statement and its most recent unaudited statement if the unaudited statement is more recent than the audited financial statement. The borrower must also represent, at the time the loan is negotiated, that there has been no material adverse change in its financial condition since the date of the most recent financial statement provided to the plan that has not been disclosed to the lending fiduciary. The exemption also requires the loan be made pursuant to a written loan agreement. Individual agreements are not required for each transaction; rather the compensation agreement may be made in the form of a master agreement covering a series of transactions. For additional substantive information about this ICR, see the related notice published in the **Federal Register** on January 6, 2025 (90 FR 671).

Comments are invited on: (1) whether the collection of information is necessary for the proper performance of

the functions of the Department, including whether the information will have practical utility; (2) the accuracy of the agency's estimates of the burden and cost of the collection of information, including the validity of the methodology and assumptions used; (3) ways to enhance the quality, utility and clarity of the information collection; and (4) ways to minimize the burden of the collection of information on those who are to respond, including the use of automated collection techniques or other forms of information technology.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless the OMB approves it and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid OMB Control Number. See 5 CFR 1320.5(a) and 1320.6.

DOL seeks PRA authorization for this information collection for three (3) years. OMB authorization for an ICR cannot be for more than three (3) years without renewal. The DOL notes that information collection requirements submitted to the OMB for existing ICRs receive a month-to-month extension while they undergo review.
