### Bureau of Safety and Environmental Enforcement

[Docket ID BSEE-2024-0003; EEEE500000 254E1700D2 ET1SF0000.EAQ000; OMB Control Number 1014-0023]

Agency Information Collection Activities; Submission to the Office of Management and Budget for Review and Approval; Pollution Prevention and Control

**AGENCY:** Bureau of Safety and Environmental Enforcement, Interior. **ACTION:** Notice of information collection; request for comment.

**SUMMARY:** In accordance with the Paperwork Reduction Act (PRA) of 1995, the Bureau of Safety and Environmental Enforcement (BSEE) proposes to renew an information collection with revisions.

**DATES:** Interested persons are invited to submit comments on or before November 29, 2024.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/ PRAMain. Find this particular information collection by selecting "Currently under 30-day Review—Open for Public Comments" or by using the search function. Please provide a copy of your comments to Nikki Mason, BSEE ICCO, 45600 Woodland Road, Sterling, VA 20166; or by email to nikki.mason@ bsee.gov. Please reference OMB Control Number 1014-0023 in the subject line of your comments.

FOR FURTHER INFORMATION CONTACT: To request additional information about this ICR, contact Nikki Mason by email at *nikki.mason@bsee.gov* or by telephone at (703) 787–1607. Individuals in the United States who are deaf, deafblind, hard of hearing, or have a speech disability may dial 711 (TTY, TDD, or TeleBraille) to access telecommunications relay services. Individuals outside the United States should use the relay services offered within their country to make international calls to the point-of-contact in the United States. You may

also view the ICR at http://www.reginfo.gov/public/do/PRAMain.

supplementary information: In accordance with the PRA and 5 CFR 1320.8(d)(1), we provide the general public and other Federal agencies with an opportunity to comment on new, proposed, revised, and continuing collections of information. This helps us assess the impact of our information collection requirements and minimize the public's reporting burden. It also helps the public understand our information collection requirements and provide the requested data in the desired format.

A **Federal Register** notice with a 60-day public comment period soliciting comments on this collection of information was published on July 12, 2024 (89 FR 57165). No comments were received.

As part of our continuing effort to reduce paperwork and respondent burdens, we are again soliciting comments from the public and other Federal agencies on the proposed ICR that is described below. We are especially interested in public comment addressing the following:

- (1) Whether or not the collection of information is necessary for the proper performance of the functions of the agency, including whether or not the information will have practical utility;
- (2) The accuracy of our estimate of the burden for this collection of information, including the validity of the methodology and assumptions used;
- (3) Ways to enhance the quality, utility, and clarity of the information to be collected; and
- (4) How might the agency minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of response.

Comments that you submit in response to this notice are a matter of public record. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Abstract: This authority and responsibility are among those

delegated to BSEE. The regulations at 30 CFR 250, subpart C requirements concern pollution prevention and control and are the subject of this collection. This request also covers any related Notices to Lessees and Operators (NTLs) that BSEE issues to clarify, supplement, or provide additional guidance on some aspects of our regulations.

The information collected under Subpart C is used in our efforts to:

- record the location of items lost overboard to aid in recovery during site clearance activities on the lease;
- conduct operations according to all applicable regulations, requirements, and in a safe and workmanlike manner;
- properly handle for the protection of OCS workers and the environment the discharge or disposal of drill cuttings, sand, and other well solids, including those containing naturally occurring radioactive materials (NORM); and
- inspect facilities daily for the prevention of pollution and ensure that any observed problems are corrected.

Title of Collection: 30 CFR part 250, subpart C, Pollution Prevention and Control.

*OMB Control Number:* 1014–0023. *Form Number:* None.

*Type of Review:* Revision of a currently approved collection.

Respondents/Affected Public: Potential respondents include Federal OCS oil, gas, and sulfur lessees and/or operators and holders of pipeline rightsof-way.

Total Estimated Number of Annual Respondents: Currently there are approximately 555 Federal OCS oil, gas, and sulfur lessees and holders of pipeline rights-of-way. Not all the potential respondents will submit information in any given year, and some may submit multiple times.

Total Estimated Number of Annual Responses: 3,168.

Estimated Completion Time per Response: Varies from 1 hour to 134 hours, depending on activity.

Total Estimated Number of Annual Burden Hours: 137,835.

Respondent's Obligation: Responses are mandatory.

Frequency of Collection: Submissions are generally on occasion, weekly, and daily.

Total Estimated Annual Nonhour Burden Cost: None.

An agency may not conduct, or sponsor and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number.

The authority for this action is the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*).

# INTERNATIONAL TRADE COMMISSION

[Investigation Nos. 701-TA-453 and 731-TA-1136-1137 (Third Review)]

# Sodium Nitrite From China and Germany; Scheduling of Expedited Five-Year Reviews

**AGENCY:** United States International Trade Commission.

ACTION: Notice.

**SUMMARY:** The Commission hereby gives notice of the scheduling of expedited reviews pursuant to the Tariff Act of 1930 ("the Act") to determine whether revocation of the antidumping and countervailing duty orders on sodium nitrite from China and the antidumping duty order on sodium nitrite from Germany would be likely to lead to continuation or recurrence of material injury within a reasonably foreseeable time.

DATES: October 4, 2024.

# FOR FURTHER INFORMATION CONTACT:

Rachel Devenney (202-205-3172), Office of Investigations, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436. Hearing-impaired persons can obtain information on this matter by contacting the Commission's TDD terminal on 202-205-1810. Persons with mobility impairments who will need special assistance in gaining access to the Commission should contact the Office of the Secretary at 202-205-2000. General information concerning the Commission may also be obtained by accessing its internet server (https:// www.usitc.gov). The public record for this proceeding may be viewed on the Commission's electronic docket (EDIS) at https://edis.usitc.gov.

# SUPPLEMENTARY INFORMATION:

Background.—On October 4, 2024, the Commission determined that the domestic interested party group response to its notice of institution (89 FR 54536, July 1, 2024) of the subject five-year reviews was adequate and that the respondent interested party group response was inadequate. The Commission did not find any other circumstances that would warrant

conducting full reviews.<sup>1</sup> Accordingly, the Commission determined that it would conduct expedited reviews pursuant to section 751(c)(3) of the Act (19 U.S.C. 1675(c)(3)).<sup>2</sup>

For further information concerning the conduct of these reviews and rules of general application, consult the Commission's Rules of Practice and Procedure, part 201, subparts A and B (19 CFR part 201), and part 207, subparts A, D, E, and F (19 CFR part 207)

Staff report.—A staff report containing information concerning the subject matter of the reviews has been placed in the nonpublic record, and will be made available to persons on the Administrative Protective Order service list for these reviews on December 30, 2024. A public version will be issued thereafter, pursuant to § 207.62(d)(4) of the Commission's rules.

Written submissions.—As provided in § 207.62(d) of the Commission's rules, interested parties that are parties to the reviews and that have provided individually adequate responses to the notice of institution,3 and any party other than an interested party to the reviews may file written comments with the Secretary on what determinations the Commission should reach in the reviews. Comments are due on or before 5:15 p.m. on January 8, 2025 and may not contain new factual information. Any person that is neither a party to the five-year reviews nor an interested party may submit a brief written statement (which shall not contain any new factual information) pertinent to the reviews by January 8, 2025. However, should the Department of Commerce ("Commerce") extend the time limit for its completion of the final results of its reviews, the deadline for comments (which may not contain new factual information) on Commerce's final results is three business days after the issuance of Commerce's results. If comments contain business proprietary information (BPI), they must conform with the requirements of §§ 201.6, 207.3, and 207.7 of the Commission's rules. The Commission's Handbook on Filing Procedures, available on the Commission's website at https:// www.usitc.gov/documents/handbook

on <u>filing\_procedures.pdf</u>, elaborates upon the Commission's procedures with respect to filings.

In accordance with §§ 201.16(c) and 207.3 of the rules, each document filed by a party to the reviews must be served on all other parties to the reviews (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

Determination.—The Commission has determined these reviews are extraordinarily complicated and therefore has determined to exercise its authority to extend the review period by up to 90 days pursuant to 19 U.S.C. 1675(c)(5)(B).

Authority: These reviews are being conducted under authority of title VII of the Act; this notice is published pursuant to § 207.62 of the Commission's rules.

By order of the Commission. Issued: October 24, 2024.

Secretary to the Commission.

# Office of Federal Contract Compliance Programs

Notice of Request Under the Freedom of Information Act for Federal Contractors' Type 2 Consolidated EEO-1 Report Data

**AGENCY:** Office of Federal Contract Compliance Programs, Labor. **ACTION:** Notice.

**SUMMARY:** The U.S. Department of Labor's Office of Federal Contract Compliance Programs (OFCCP) has received two requests under the Freedom of Information Act (FOIA) for 2021 Type 2 Consolidated Employer Information Reports, Standard Form 100 (EEO-1 Report), filed by the federal contractors. These two requests have come from the University of Utah and a non-profit organization named "As You Sow," respectively. OFCCP has reason to believe that the information requested may be protected from disclosure under FOIA Exemption 4, which protects disclosure of confidential commercial information, but has not yet determined whether the requested information is protected from disclosure under that exemption. OFCCP is requesting that entities that filed Type 2 Consolidated EEO-1 Reports as federal contractors for the
