- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, *e.g.*, permitting electronic submission of responses.

Overview of this information:

(1) *Type of information collection:* Reinstatement, with change, of a

previously approved collection for which approval has expired.

(2) *Title of the Form/Collection:* Identity Theft Supplement (ITS) to the National Crime Victimization Survey.

(3) *Agency form number, if any, and the applicable component of the department sponsoring the collection:* ITS-1. Bureau of Justice Statistics, Office of Justice Programs, Department of Justice.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract.* Primary: Persons 16 years or older in NCVS sampled households in the United States. The Identity Theft Supplement (ITS) to the National Crime Victimization Survey collects, analyzes, publishes, and disseminates statistics on the prevalence, economic cost, and consequences of identity theft on victims.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond/reply:* Approximately 79,400 persons 16 years of age or older will complete an ITS interview. The majority of respondents, approximately 75,500 will be administered only the screening portion of the ITS which is designed to filter out those people who have not been victims of identity theft during the past year and therefore are not eligible to continue with the remainder of the supplement questions. We estimate the average length of the ITS interview for these individuals will be 0.08 hours (five minutes). Based on findings from the 2008 ITS, we estimate that approximately 5% of respondents will have experienced at least one incident of identity theft during the prior year. For these victims, we estimate each interview will take 0.25 hours (15 minutes) to complete.

(6) *An estimate of the total public burden (in hours) associated with the collection:* The total respondent burden is approximately 7,029 hours.

BILLING CODE 4410-18-P

DEPARTMENT OF LABOR

Request for Comments Under Executive Order 12898

AGENCY: Office of the Assistant Secretary of Policy, Labor.

ACTION: Notice.

SUMMARY: The Department of Labor (DOL or Department) is committed to Environmental Justice (EJ). President Obama has renewed agencies' environmental justice planning by reinvigorating Executive Order 12898 (EO 12898), which tasked several Federal agencies with making environmental justice part of their mission. The agencies were directed to do so by identifying and addressing, as appropriate, the disproportionately high and adverse human health or environmental effects of their programs, policies, and activities on minority and low-income populations. In August 2011, agencies listed in EO 12898 signed a Memorandum of Understanding (EJ MOU), which, among other things, commits agencies to develop a final Environmental Justice Strategy. The purpose of this notice is to invite public comment on how the Department of Labor can address environmental justice through its programs, policies, regulations or reporting requirements.

DATES: Comments must be received on or before November 18, 2011.

ADDRESSES: You may submit comments through <http://dolenvironmentaljustice.ideascale.com/>.

All comments will be available for public inspection at <http://dolenvironmentaljustice.ideascale.com/>.

FOR FURTHER INFORMATION CONTACT: E. Christi Cunningham, Associate Assistant Secretary for Regulatory Policy, U.S. Department of Labor, 200 Constitution Avenue, NW., Room S-2312, Washington, DC 20210, cunningham.christi@dol.gov, (202) 693-5959; (this is not a toll-free number). Individuals with hearing impairments may call 1-800-877-8339 (TTY/TDD).

SUPPLEMENTARY INFORMATION: Executive Order 12898 did not create a new legal remedy. As an internal management tool of the Executive Branch, the Order

directs Federal agencies to put in place procedures and take actions to make achieving environmental justice part of their basic mission. Former President Clinton explained that Federal agencies have the responsibility to promote nondiscrimination in Federal programs substantially affecting human health and the environment. Accordingly, agencies must implement actions to identify and address disproportionately high and adverse human health or environmental effects of their programs, policies, and activities on minority and low-income populations and federally-recognized Indian tribes. The Department views Environmental Justice from a workplace training, health and safety perspective. The Department is developing an Environmental Justice Strategy that is in line with the mission of the Department and Secretary Solis' vision for the future: good jobs for everyone. The vision of good jobs for everyone includes ensuring that workplaces are safe and healthy; helping workers who are in low-wage jobs or out of the labor market find a path into middle-class jobs; and helping middle-class families remain in the middle-class. The Department's Environmental Justice Strategy focuses on agencies directly involved with worker training (the Employment Training Administration (ETA)), and health and safety issues (the Occupational Safety and Health Administration (OSHA) and the Mine Safety and Health Administration (MSHA)).

Request for Comments: As part of our development of the DOL Environmental Justice Strategy, we are soliciting public comment. Your input is important to us. Please provide responses that are supported with specific examples and data, where possible.

This request for public input will inform development of the Department of Labor's draft Environmental Justice Strategy. To facilitate receipt of the information, the Department has created an Internet portal specifically designed to capture your input and suggestions, <http://dolenvironmentaljustice.ideascale.com/>. The portal contains a series of questions designed to gather information on how DOL can best meet the requirements of the Executive Order. The portal is open to receive comments through November 18, 2011.

Questions for the Public: The Department of Labor intends the questions on the portal to represent a starting point for discussion of the draft Strategic Plan. The questions are meant to initiate public dialogue, and are not intended to restrict the issues that may

be raised or addressed. The questions were developed with the intent to probe a range of areas.

When addressing these questions, the Department of Labor requests that commenters identify with specificity the program, policy, regulation or reporting requirement at issue, providing legal citation(s) where available. The Department also requests that submitters provide, in as much detail as possible, an explanation of why a program, policy, regulation or reporting requirement should be modified, streamlined, expanded, or repealed as well as specific suggestions of ways the Department of Labor can better achieve environmental justice. Whenever possible, please provide empirical evidence and data to support your response.

The Department of Labor is issuing this request solely to seek useful information as it develops its plan. While responses to this request do not bind the Department of Labor to any further actions related to the response, all submissions will be made available to the public on <http://dolenvironmentaljustice.ideascale.com/>.

Authority: Executive Order 12898, "Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations," February 11, 1994. 59 FR 7629 (Feb. 16, 1994).

Dated: October 12, 2011.

William E. Spriggs,

Assistant Secretary for Policy.
