

Avg Hours per Response: 25 minutes.

Needs and Uses: The purpose of this request for review is to obtain clearance for the Annual Social and Economic Supplement (ASEC), which we will conduct in conjunction with the February, March, and April Current Population Survey (CPS). Congressional passage of the State Children's Health Insurance Program, or Title XXI, led to a mandate from Congress, in 1999, that the sample size for the CPS, and specifically the Annual Social and Economic Supplement (ASEC), be increased to a level whereby more reliable estimates can be derived for the number of individuals participating in this program at the state level. By administering the ASEC in February, March, and April, we have been able to achieve this goal. The U.S. Census Bureau has conducted this supplement annually for over 50 years. The Census Bureau, the Bureau of Labor Statistics (BLS), and the Department of Health and Human Services (HHS) sponsor this supplement.

The instrument questionnaire contains the same items that were in the 2006 ASEC instrument, with the inclusion of additional questions that collect information on payments from pensions and retirement plans.

The ASEC can be divided into five logical series of questions as follows: Work Experience; Personal Income and Noncash Benefits; Household Noncash Benefits; Welfare Reform Items; and Migration.

ASEC data are used by social planners, economists, Government officials, and market researchers to gauge the social and economic well-being of the Nation as a whole, and selected population groups of interest.
