Submission for OMB Review; Comment Request

DOC has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. chapter 35).

Agency: U.S. Census Bureau.

Title: Report of New Privately-Owned Residential Building or Zoning Permits Issued (Building Permits Survey).

Form Number(s): C–404.

Agency Approval Number: 0607–0094.

Type of Request: Extension of a currently approved collection.

Burden: 24,166 hours.

Number of Respondents: 19,000.

Avg Hours Per Response: 10 and a half minutes.

Needs and Uses: The U.S. Census Bureau is requesting an extension of a currently approved collection of the Form C–404, “Report of Privately-Owned Residential Building or Zoning Permits Issued” otherwise known as the

Building Permits Survey (BPS.) The Census Bureau uses the Form C–404 to collect data that will provide estimates of the number and valuation of new residential housing units authorized by building permits. About one half of the permit offices are requested to report monthly. The remainder are only surveyed once per year. We use the data, a component of the index of leading economic indicators, to estimate the number of housing units started, completed, and sold, if single-family. The Census Bureau also uses these data to select samples for its demographic surveys. Policymakers, planners, businessmen/women, and others use the detailed geographic data collected from state and local officials on new residential construction authorized by building permits to monitor growth and plan for local services, and to develop production and marketing plans. The BPS is the only source of statistics on residential construction for states and smaller geographic areas.

Affected Public: State, local, or tribal government.

Frequency: Monthly or annually.

Respondent's Obligation: Voluntary.

Legal Authority: Title 13 U.S.C., Section 182.

OMB Desk Officer: Susan Schechter, (202) 395–5103.

Copies of the above information collection proposal can be obtained by calling or writing Diana Hynek, Departmental Paperwork Clearance Officer, (202) 482–0266, Department of Commerce, room 6625, 14th and Constitution Avenue, NW., Washington, DC 20230 (or via the Internet at dhynnek@doc.gov).

Bulk Aspirin From the People's Republic of China: Notice of Amended Final Determination and Amended Order Pursuant to Final Court Decision

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of amended final determination and amended order pursuant to final court decision on Bulk Aspirin from the People's Republic of China.

SUMMARY: On September 9, 2002, the Court of International Trade (“CIT” or “the Court”) affirmed the Department's remand determination and entered a judgment order in *Rhodia, Inc. v. United States*, 240 F. Supp. 2d 1247 (CIT 2002) (“*Rhodia II*”), a lawsuit challenging certain aspects of the Department of Commerce's (“the Department”) *Notice of Final Determination of Sales at Less Than Fair Value: Bulk Aspirin From the People's Republic of China*, 65 FR 33805 (May 25, 2000) and accompanying Issues and Decision Memorandum (May 17, 2000) (“*Issues and Decision Memorandum*”), and *Notice of Amended Final Determination of Sales at Less Than Fair Value: Bulk Aspirin from the People's Republic of China*, 65 FR 39598 (June 27, 2000) (collectively, “*Final Determination*”). On October 14, 2003, the CIT's opinion upholding the Department's final remand was affirmed without opinion by the U.S. Court of Appeals for the Federal Circuit (“Federal Circuit”). See *Rhodia II*, 240 F. Supp. 2d 1247 (CIT 2002) *aff'd mem.* Ct. No. 03–1097 (October 14, 2003); 2003 U.S. App. LEXIS 21424.

In its remand determination, the Department reviewed the record evidence regarding the extent to which the Indian surrogate producers are integrated and concluded that the evidence did not support the *Final Determination* in this regard. We also reconsidered our use of weighted-average ratios for overhead, SG&A, and profit, and amended our calculations using simple averages. Finally, in accordance with our voluntary request for remand, we removed “trade sales” (or “traded goods”) from the denominator in calculating the overhead ratio.

As a result of the remand determination, Jilin Pharmaceutical (“Jilin”) will be excluded from the antidumping duty order on bulk aspirin from the People's Republic of China
