DEPARTMENT OF ENERGY

Notice of Availability of Guidance and Application for Hydroelectric Production Incentives

AGENCY: Hydroelectric Incentives Program, Grid Deployment Office, Department of Energy.

ACTION: Notice of availability of guidance and open application period.

SUMMARY: The U.S. Department of Energy (DOE) gives notice of updated guidance for the Energy Policy Act of 2005 Hydroelectric Production Incentives. The guidance describes the hydroelectric production incentive payment requirements and explains the type of information that owners or authorized operators of qualified hydroelectric facilities must provide DOE when applying for hydroelectric production incentive payments. The hydroelectric production incentive payments are a benefit available for electric energy generated and sold for a specified 10-year period as authorized under the Energy Policy Act of 2005. In

the Infrastructure Investment and Jobs Act, DOE received \$125 million to support this hydroelectric production incentive. At this time, DOE is only accepting applications from owners and authorized operators of qualified hydroelectric facilities for hydroelectricity generated and sold in calendar years 2021 and 2022.

DATES: DOE is currently accepting applications from March 22, 2023 through May 8, 2023. Applications must be submitted to the Clean Energy Infrastructure Funding Opportunity Exchange, <https://infrastructure-exchange.energy.gov/> by no later than 5 p.m. ET, May 8, 2023, or they will not be considered timely filed for calendar year 2021 and 2022 incentive payments.

ADDRESSES: Interested parties are to submit applications electronically to the Clean Energy Infrastructure Funding Opportunity Exchange, <https://infrastructure-exchange.energy.gov/>. The guidance accompanying this solicitation is available at: www.energy.gov/gdo/section-242-hydroelectric-production-incentive-program.

FOR FURTHER INFORMATION CONTACT:

Questions may be addressed to Madden Sciubba, U.S. Department of Energy, 1000 Independence Ave. SW, Washington, DC 20585, (240) 798-1195 or by email at hydroelectricincentives@hq.doe.gov. Additional information can be found in the guidance posted at www.energy.gov/gdo/section-242-hydroelectric-production-incentive-program. Electronic communications are recommended for correspondence.

SUPPLEMENTARY INFORMATION: In section 242 of the Energy Policy Act of 2005 (EPA 2005; Pub. L. 109-58), as amended, Congress established a program to support the expansion of hydropower energy development at existing dams and impoundments through an incentive payment procedure for eligible facilities (section 242), codified at 42 U.S.C. 15881. Congress amended section 242 in the Energy Act of 2020 (Pub. L. 116-260) by expanding the eligibility window and amending the definition of a qualified hydroelectric facility. The Infrastructure Investment and Jobs Act of 2021 (Pub. L. 117-58) made further amendments to section 242. For this solicitation, DOE is accepting applications for payments resulting from hydroelectricity generated and sold in calendar years 2021 and 2022.

Section 242 directs the Secretary to provide incentive payments to the owners or authorized operators of hydroelectric generation facilities in accordance with specific statutory
