Background

Complaints have been received alleging that the bridge is unreasonably obstructive to navigation. Information available to the Coast Guard indicates numerous bridge allisions have occurred between 1995 and 2007. The

navigation opening of the bridge is 150 feet and causes significant delays to commercial water traffic. Mariners transit the bridge under a non-navigation span when possible. During periods of high water mariners often double trip the bridge, which adds many hours to the bridge transit. Based on the comments received at the public meeting, the bridge may be found to be unreasonably obstructive to navigation. Such a finding may require relocating and increasing the horizontal clearance of the railroad bridge to meet the reasonable needs of navigation.

Procedural

The hearing is open to the public. Attendees at the meeting, who wish to present testimony and have not previously made a request to do so, will follow those having submitted a request, as time permits. If a large number of persons wish to speak, the presiding officer may limit the time allotted to each speaker. Conversely, the public meeting may end early if all present wishing to speak have done so.

SUMMARY: On April 9, 2008, the Federal Law Enforcement Training Center announced in the **Federal Register** at 69 FR 19233 that the State and Local Training Advisory Committee would meet on April 17, 2008, in Jekyll Island, Georgia. This notice supplements that original meeting notice.

DATES: The State and Local Advisory Committee meeting met on April 17, 2008, from 8 a.m. to 3 p.m.

FOR FURTHER INFORMATION CONTACT:

Reba Fischer, Designated Federal Officer, Federal Law Enforcement Training Center, Department of Homeland Security, 1131 Chapel Crossing Road, Townhouse 396, Glynco, GA 31524; (912) 267–2343; reba.fischer@dhs.gov.

SUPPLEMENTARY INFORMATION: Notice of this meeting is given under the Federal Advisory Committee Act, 5 U.S.C. App. (Pub. L. 92–463). The mission of the Advisory Committee to the Office of State and Local Training is to advise and make recommendations on matters relating to the selection, development, content and delivery of training services by the OSL/FLETC to its State, local, campus, and tribal law enforcement customers.

The State and Local Advisory Committee met for the purpose of discussing strategic planning; training needs of state, local, campus, and tribal law enforcement officers; validation of training; and training initiatives. The meeting was open to the public.

The Federal Advisory Committee Act requires that notices of meetings of advisory committees be announced in the **Federal Register** 15 days prior to the meeting date. A notice of the meeting of the State and Local Advisory Committee was published in the **Federal Register** on April 9, 2008, 8 days prior to the meeting due to a mail delivery delay (overnight mail delayed for 6 days). Although the meeting notice was published in the **Federal Register** late, the Federal Law Enforcement Training Center made notice of the meeting in sufficient time for planning purposes to the state and local law enforcement sector via FLETC's notification system and to the public via the Federal Advisory Committee Act Database (<http://www.fido.gov/facadatabase>).

Dated: April 10, 2008.
