

DEPARTMENT OF COMMERCE**Submission for OMB Review;
Comment Request**

DOC has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act of 1995, Public Law 104-13 (44 U.S.C. 3506 (c)(2)(A)).

Bureau: International Trade Administration.

Title: Outside Assessment of DOC Compliance Program.

Agency Form Number: ITA-xxxx.

OMB Number: 0625-xxxx.

Type of Request: Regular Submission.

Burden: 110.5 hours.

Number of Respondents: 274.

Avg. Hours Per Response: 2 hours for focus group participants and 15 minutes for survey respondents.

Needs and Uses: In 2003, the Department of Commerce's (DOC's) International Trade Administration (ITA) conducted a bureau-wide Customer Satisfaction Survey covering all ITA program units, related to the citizen-centered objectives of the President's Management Agenda.

The results were used to set a baseline for performance metric reporting and tracking and to better understand the customer base it serves. ITA's Market Access and Compliance (MAC) program survey report identified gaps between a high level of customer awareness yet low customer use of fair trade and market access services. Findings also indicated that a substantial customer base is unaware of the specific services that the DOC Compliance Program offers.

In response to the survey findings, MAC is undertaking an outside customer service analysis to find out in more specific terms and greater detail, what MAC's Trade Compliance Center's (TCC's) customers' expectations are. The purpose of this outside assessment is to obtain customer and potential customer views regarding the DOC Compliance Program to determine:

- If the TCC offers the right set of services to assist U.S. exporters to overcome foreign trade barriers;
- If MAC is aware of exporter needs;
- If the right MAC programs are in place to meet identified needs; and
- If MAC services are properly promoted to maximize efficiency and effectiveness.

An enhanced customer satisfaction program or other service improvements might result from this data collection initiative.

Affected Public: U.S. Exporters and their Business Representatives,

categorized as either active customers, prospective customers, or untapped customers.

Frequency: One time.

Respondent's Obligation: Voluntary.

OMB Desk Officer: David Rostker, (202) 395-7340.

Copies of the above information collection proposal can be obtained by calling or writing Diana Hynek, Departmental Paperwork Clearance Officer, (202) 482-0266, Department of Commerce, Room 6612, 14th and Constitution, NW., Washington, DC 20230. E-mail: dHynek@doc.gov.

Written comments and recommendations for the proposed information collection should be sent via e-mail to David Rostker, OMB Desk Officer, David_Rostker@omb.eop.gov or fax (202) 395-7285, within 30 days of publication of this **Federal Register** notice.

Technical Advisory Committees; Notice of Recruitment of Private-Sector Members

SUMMARY: Six Technical Advisory Committees (TACs) advise the Department of Commerce on the technical parameters for export controls applicable to dual-use commodities and technology and on the administration of those controls. The TACs are composed of representatives from industry and Government representing diverse points of view on the concerns of the exporting community. Industry representatives are selected from firms producing a broad range of goods, technologies, and software presently controlled for national security, non-proliferation, foreign policy, and short supply reasons or that are proposed for such controls, balanced to the extent possible among large and small firms.

TAC members are appointed by the Secretary of Commerce and serve terms of not more than four consecutive years. The membership reflects the Department's commitment to attaining balance and diversity.
