**Mallinckrodt, Incorporated, Nellcor
Puritan Bennett, Incorporated, Puritan-
Bennett Corporation, Respiratory
Division Carlsbad, CA; Amended
Certification Regarding Eligibility To
Apply for Worker Adjustment
Assistance**

In accordance with Section 223 of the Trade Act of 1974 (19 U.S.C. 2273) the U.S. Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on October 5, 2000, applicable to workers of Mallinckrodt, Incorporated, Respiratory Division, Carlsbad, California. The notice was published in the **Federal Register** on November 1, 2000 (FR 65 65330).

At the request of the State agency, the Department reviewed the certification for workers of the subject firm. The workers are engaged in the production of critical care medical equipment. New information provided by the State shows that Nellcor Puritan Bennett, Incorporated and Puritan-Bennett Corporation are business units of Mallinckrodt, Incorporated. New information also shows that workers separated from employment at the subject firm had their wages reported under two separate unemployment insurance (UI) tax accounts: Nellcor Puritan Bennett, Incorporated and Puritan-Bennett Corporation.

Accordingly, the Department is amending the certification to properly reflect this matter.

The intent of the Department's certification is to include all workers of Mallinckrodt, Incorporated, Respiratory Division who were adversely affected by increased imports of critical care medical equipment.

The amended notice applicable to TA-W-37,910 is hereby issued as follows:

All workers of the Mallinckrodt, Incorporated, Nellcor Puritan Bennett, Incorporated, Puritan-Bennett Corporation, Respiratory Division, Carlsbad, California who became totally or partially separated from employment on or after July 5, 1999 through October 5, 2002 are eligible to apply for adjustment assistance under section 223 of the Trade Act of 1974.

Signed at Washington, DC this 29th day of November, 2000.

*Certifying Officer, Division of Trade
Adjustment Assistance.*

**Rycraft, Incorporated, Corvallis, OR;
Notice of Revised Determination on
Reconsideration**

On November 2, 2000, the Department issued an Affirmative Determination Regarding Application on Reconsideration applicable to workers and former workers of the subject firm. The notice was published in the **Federal Register** on November 15, 2000 (65 FR 69050).

The Department initially denied TAA to workers of Rycraft, Incorporated, Corvallis, Oregon producing terra cotta cookie stamps because the "contributed importantly" group eligibility requirement of section 222(3) of the Trade Act of 1974, as amended, was not met.

On reconsideration, the Department conducted further survey of the major independent brokers of Rycraft. The survey revealed that the former customers of Rycraft imported substantial amounts of terra cotta cookie stamps while reducing purchases from Rycraft.

Conclusion

After careful review of the additional facts obtained on reconsideration, I conclude that increased imports of articles like or directly competitive with terra cotta cookie stamps, contributed importantly to the declines in sales or production and to the total or partial separation of workers of Rycraft, Incorporated, Corvallis, Oregon. In accordance with the provisions of the Act, I make the following certification:

All workers of Rycraft, Incorporated, Corvallis, Oregon who became totally or partially separated from employment on or after June 27, 1999 are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974.

Signed in Washington, D.C. this 22nd day of November 2000.

**TRW, Valve Division, Danville, PA;
Notice of Affirmative Determination
Regarding Application for
Reconsideration**

By letter of November 11, 2000, the petitioner requested administrative reconsideration of the Department of Labor's Notice of Negative Determination Regarding Eligibility to Apply for Worker Adjustment Assistance, petition TA-W-38,061. The denial notice was signed on October 10, 2000 and published in the **Federal Register** on November 1, 2000 (65 FR 65329).

The Department has reviewed the request for reconsideration and has determined that further survey of a major declining customer of the subject firm would be appropriate.

Conclusion

After careful review of the application, I conclude that the claim is of sufficient weight to justify reconsideration of the Department of Labor's prior decision. The application is, therefore, granted.

Signed at Washington, DC, this 30th day of November 2000.
