Project features include Battle Mountain Community Pasture, Rye Patch Dam and Reservoir, and the Humboldt Sink. Battle Mountain Community Pasture, located near Battle Mountain, is approximately 30,000 acres and is managed for grazing by the PCWCD under a lease agreement with Reclamation. Rye Patch Reservoir is located 26 miles upstream from Lovelock, is 21 miles in length, and has a capacity of 190,000 acre-feet. The State of Nevada manages the recreation at the reservoir under a management agreement with Reclamation and the PCWCD. The Humboldt Sink is also part of the Project and is managed by the State of Nevada under a management agreement with Reclamation.
