

January through September 2013, and January through September 2014.

During the reconsideration investigation, the Department collected additional information from the subject firm and the customer of the subject firm.

The information obtained confirmed that neither the subject firm nor its customer increased imports of articles like or directly competitive with high explosive mortar rounds and demolition charges. Additionally, the production of such articles did not shift to a foreign country in the period under investigation.

Therefore, after careful review of the request for reconsideration, the Department determines that 29 CFR 90.18(c) has not been met.

### Conclusion

After careful review, I determine that the requirements of Section 222 of the Act, 19 U.S.C. 2272, have not been met and, therefore, deny the petition for group eligibility of Day & Zimmermann, Inc., Parsons, Kansas, to apply for adjustment assistance, in accordance with Section 223 of the Act, 19 U.S.C. 2273.

Signed in Washington, DC on this 26th day of February 2015.
