Abstract: Candidates enter information pertinent to legal employment on a series of electronic screens (the number of screens varies by Program; hiring organizations vary by

year). The data is then certified and submitted into a database for OARM review and transmission to the components that consider the candidates for legal employment. The candidate is automatically notified by email that his/her application has been received when he/she certifies and submits his/her electronic application, and provided other hiring status updates throughout the hiring cycle.

In compliance with the Executive Order issued January 20, 2025, (<https://www.whitehouse.gov/presidential-actions/2025/01/defending-women-from-gender-ideology-extremism-and-restoring-biological-truth-to-the-federal-government/>), the voluntary demographic question on the HP/SLIP application is revised to reflect “Sex” with the responses “Male,” “Female” or “Decline to Answer,” removing references to gender identity and sexual orientation. There is no impact on the public burden or cost.

OARM, in coordination with hiring offices, periodically reviews questions relating to qualifications and experience to ensure their focus and criteria remains relevant (e.g., assists hiring officials evaluate written or oral communication skills, public service interest, relevant experience, etc.).

- Hiring officials requested the addition of two “yes/no” questions relating to written or oral communication skills for SLIP applicants. This change is limited to the questions presented to eligible applicants to the Summer Law Intern Program, who often have limited objective law school accomplishments at the time they apply. There is de minimis impact on the public burden and no impact on cost.

- In addition, hiring officials requested modification to an existing

“check the box” question presented to all applicants clarifying the type of public service experience responsive to the question. There is no impact on the public burden or cost to this change.

- A new “check the box” question relating to relevant experience was added. There is de minimis impact on the public burden and no cost to this change.

- A residency question was removed and a geographic preference question added. There is no impact on the public burden or cost.

The estimate of annualized cost to the federal government decreased from \$54,000 to \$39,885.
